

CATHEDRALS

In “The THEorY of LIVEvolution” one cathedral, Saint John’s the Divine, here in Mystery, Babylon was the target of much discussion since it is the modern home of the RELIGIOUS eco wacko movement. (Please remember as discussed in **Beware the environmental movement, beware the environmental movement** link on the New Age page that a clear distinction is made between legitimate environmental concerns and the Mother Earth loons and associated crackpots). However, when one takes a step back and takes a general look at Cathedrals in general it turns out that Saint John’s is merely the Satanic mother ship of the rest of these satellite churches of Satan. So let’s take a brief general look at Cathedrals and then we’ll take a step back and look a little more closely at Saint John’s the Divine again (if you haven’t read “The THEorY of LIVEvolution” all of the information will be new, if you have some will be).

This section is broken down into three basic sub-sections:

I Jesus Christ, the real One, Weighs in on Cathedrals and Their Owners

II. Cathedrals’ Commonality

III Saint John’s the Divine ‘seer’ Cathedral, Mystery, Babylon, USA

I Jesus Christ, the real One, Weighs in on Cathedrals and Their Owners

As this “conspiracy theorist” looks into these things it becomes readily apparent that there’s a definite pattern going on here. Let’s take a step back and see what Jesus Christ, the real One, has to say about large stone monoliths that *allegedly* pay homage to Him and God, the real One. Bear in mind that symbolism in the Bible is a mixture of the literal and figurative and discernment is the key. For example, the nation of Israel is representative of all mankind of all “time”, both good and bad. But let’s take a specific look on what Jesus Christ, the real One, thought of stone temples and their owners, the fake religious leaders or Pharisees and Scribes, their recording secretaries. The disciples were very impressed with the City of Jerusalem and in particular the re-built Temple of Solomon (this was actually the third version see Third Temple on the Related Links page.) Jesus was not very impressed as recorded in the Book of Mark:

And as he went out of the temple, one of his disciples saith unto him, Master see what manner of stones and what buildings are here! And Jesus answering said unto him, Seest thou these great buildings? There shall not be one stone upon another, that shall not be thrown down. (Verses 13:1-2)

Talk about deflationary. The prophets were so impressed with their capital city and just like that their new leader predicts the place will be leveled at some point in the future. Well how about the owners of the place, the Pharisees and their other buddies the money changers? The first encounter of Jesus upon his entry to Jerusalem was with the latter bunch as recorded in Matthew:

And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and overthrew the tables of moneychangers, and the seats of them that sold doves, And said unto them, It is written, My house shall be called the house of prayer; but ye have made it a den of thieves. (Verses 21:12-13)

At one point He even chases these guys out with whips. This doesn't sound so good from your neighbor much less the "Prince of Peace" who asked that God, the real One, forgive the throngs for spitting on Him as they literally pounded Him to death. And what about their allies, the Pharisees and Scribes whom we just discussed? Well Jesus doesn't pull any punches with this crowd either as explained in Matthew 23:

THEN spake Jesus to the multitude, and to his disciples, Saying, The scribes and the Pharisees sit in Moses' seat: All therefore whatsoever they bid you observe, that observe and do; but do not ye after their works: for they say and do not. For they bind heavy burdens and grievous to be borne, and lay them on many's shoulders; but they themselves will not move theme with one of their fingers. But all their works they do for to be seen of men: they make broad their phylacteries, and enlarge the borders of their garments. And love the upper most rooms at feasts and the chief seats in the synagogues. And greetings in the markets, and to be called of men, Rabbi, Rabbi. (Verses 1-7)

Jesus Christ, the real One, is just getting started but let's take a break. Of course He is providing a scathing view of the Jewish high priests or rabbis known as the Pharisees (and their friends). But please be aware as stated before that the Jewish race (who descended from God's chosen people Israel), for better or worse, symbolizes all of humanity so we're not just picking on the Jews here. Obviously this warning/admonishment can be extrapolated to the Catholic hierarchy of sun-worshipping fools, the Episcopalian nature freak/homosexual priest crowd, the Communist Party USA associated National Council of Churches, etc. etc. of today. Let's look at some specifics before we return to Matthew 23. Notice the term "chief seats". When we "pilgrims" are allowed to take the tour of Saint John's the Divine here in Mystery, Babylon (see image on top of home page) we're told it's the largest Cathedral in the world and Saint Peter's in Rome doesn't count because "it doesn't contain the seat of the bishop". And when one takes the tour of this Church of Satan as a "pilgrim" one can only feel almost intimidated by the Cathedral's many higher levels that are designed to house the "chief priests" as Jesus, the real One, would call them. We "pilgrims" are granted the temporary right to visit these "upper most rooms" but the tour guide makes sure that we know that our place is the lowly "pilgrims walk" down below.

Let's continue; it only gets "better". Now keep the term "Ascended Master" in mind for the next few passages:

But be not ye called Rabbi: for one is your Master, even Christ and all ye are brethren. And call no man your father upon earth, for one is your Father which is in heaven. Neither be ye called masters: for one is your Master, even Christ and all ye are brethren. And call no man your father upon the earth, for one is your Father which is in heaven. Neither be ye called masters, for one is your Master, even Christ. (Verses 8-10).

Is Jesus Christ, the real One, referring to THEM? In "The THEorY of LIVEvolution" I spent several long chapters in Section 3 discussing these "Ascended Masters". Two of these so-called "Ascended Masters" named Djwhal Khul and the Count of Satint Germain (also known as RC Christian of Georgia Guidestones fame) in particular caught my ILLUMINTATED eye. These

two “guys” also have their related links page on the same list you just came from. Additionally, another name is thrown at these “Ascended Masters” and that is “the Christ”. My friends if you’re reading this right now I fear the time is coming very soon when these “Ascended Masters” will become more visible. This “Djwhal Khul” or “the Tibetan” (I swear the people at Lucis Trust refer to “him” as this today) who hangs out at LUCIFER’s Publishing Company over at the UN-dead (another reason for the name I gave that place) may in fact be the spirit of Satan himself. In short, “he” may be the anti-Christ waiting to happen. But this will be covered in other links on the related links page you just came from; for now let’s stay on message with the humans who would associate with these other “Ascended Masters” and in fact roll out the red carpet for “THEM”.

Woe unto you, scribes and Pharisees, hypocrites! For ye devour widows’ houses, and for a pretense make long prayer: therefore ye shall receive the greater damnation. Woe unto you scribes and Pharisees, hypocrites! For ye compass sea and land to make one proselyte and when he is made, ye make him twofold more the child of hell than yourselves. Woe unto you ye blind guides, which say, Whosoever shall swear by the temple, it is nothing; but whosoever shall swear by the gold at the temple he is a debtor! Ye fools and blind: for whether is greater, the gold or the temple that sanctifieth the gold? And whosoever shall swear by the altar, it is nothing: but whosoever sweareth by the gift that is upon it, he is guilty. Ye fools and blind: for whether is greater, the gift, or the altar that sanctifieth the gif? Whoso therefore shall swear by the altar, sweareth by it, and all things thereon. And whoso shall swear by the temple sweareth by it and by him that dwelleth therein. And he that shall swear by heaven, sweareth by the throne of God and by him that sitteth therein. (Verses 15-22)

Notice the term “sea and land”. In Mystery, Babylon Section IV the concept of the sea representing humanity was discussed. Now Jesus seems to be implying not just physical seas but the sea of all humanity, i.e., a one world religion. Also notice the term “gold”. Now of course He is referring to physical gold that covers the walls in places like Saint Peters in the Vatican and other wealth of say the social gospel fools like Joel Osteen and Rick Warren. But the REAL THEOrY of LIVEvolution fools discuss something called “immaterial gold”, the treasure that awaits all those that are capable of “ILLUMINATION” as is demonstrated by a certain all seeing eye atop a cap less pyramid for instance. Now this concept of swearing by things is covered in the last two verses here. The first “him that dwelleth therein” appears to be a reference to Satan who dwells in places like large stone and MASONIC cathedrals the world over, the most prominent located right here in Mystery, Babylon, USA. We’ll develop this more a little later on. And of course the final verse refers to God, the real One, Who prefers that people worship Him and spirit and NOT in some fake mega-church.

And Jesus Christ, the real One, is just getting warmed up.

Woe unto you scribes and Pharisees, hypocrites! For ye pay tithe of mint and anise and cummin, and have omitted weightier matters of the law, judgment, mercy and faith: these ought ye to have done, and not leave the other undone. Ye blind guides which strain at a gnat and swallow a camel. Woe unto you, scribes and Pharisees, hypocrites! For ye make clean the outside of the cup and of the platter, but within are full of extortion and excess.

Thou blind Pharisees, cleanse first that which is within the cup and platter, that the outside of them may be clean also.

As usual there is a lot going on here but I'll be brief. Notice the term "strain at a gnat and swallow a camel". Obviously this applies to places like the Catholic Church that makes sure all of its procedures during the fake mass take place exactly according to *their* rules. Meanwhile people are starving to death the world over while the Pope hangs out in the golden Saint Peter's and lap dogs for the world wide power grab of the gang bankers now known as "global warming". (I realize that many people do wonderful work in Catholic charities but this is specifically referring to the leadership. If this offends you as a Catholic maybe this is your chance to make the right choice and keep doing what you're doing on the charity front while dissociating from the Pope and the rest of the Vatican.) But it also can apply to our very own "Progressive" and liberals. Now nobody will say that slavery that once existed in this country was good; even this "conspiracy theorist" admits that it was wrong that it wasn't properly addressed in the original Constitution. However, to this day slavery is still being used as a club to beat down this once Godly albeit imperfect nation. Of course any reasonable person must ask what all the worldwide outrage over say places like Zimbabwe with its thug leader Robert Mugabe or the Sudan? The millions that have been literally chopped to death or starved into the grave belittle what slavery was in this country. The people that would criticize these United States, many from within, like Amnesty International really aren't interested in helping people (like terrorists at Gitmo) but rather destroying the last vestige of Godliness on this earth, "The Late Great USA". Ditto for the eco wackos who want to kill the country that could develop the most promising environmental and clean water technologies but would rather see us gone. But I digress.

Notice the term "cup and platter". A golden chalice that emits light often symbolizes the "Holy Grail" or ILLUMINATION for knowledge that man can evolve into God, the real One. Obviously we can't all achieve this "spark" as Madame Blavatsky (see related link on the list) claims and enter her adoring fan Adolf Hitler stage left. This name...again? Isn't this fun? Now hopefully you're being ILLUMINATED as to why the "Prince of Peace" and infinitely merciful God in the flesh would be so irritated with the Pharisees and friends. Is the picture starting to develop? Are YOU now ILLUMINATED, no pun intended, why God, the real One, is really, really **** off with the gang banker and fake religion crowd? Let's continue.

Woe unto you, scribes and Pharisees, hypocrites! For ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness. Even so ye also outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity. Woe unto you scribes and Pharisees, hypocrites! Because ye build the tombs of the prophets, and garnish the sepulchres of the righteous. And say If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? (Verses 27-33).

Now look at the first verse. What immediately comes to mind with this “conspiracy theorist” is the Skull and Bones Society at Yale University. Recall the secret meeting of this nefarious collection of national leaders is called “The Tomb”. And apparently all kinds of weird sexual related activities take place around a coffin. And in Saint John’s the first part of the building that was built where the original JP Morgan Freemason crowd worshipped was an underground chamber called “The Crypt Chapel”. (Perhaps not coincidentally “The Crypt Chapel” is only open on Halloween). Now call me crazy but who the hell, pun intended, would want to worship God, the real One, in what is essentially an underground, dark, depressing bunker? Unless these people were trying to hide something from the “imbecile majority” or were deceived by say an “Ascended Master” that refers to his person as “the Angel of Light” but really is a fake Christ or anti-Christ. This “conspiracy theorist” surmises both: hiding *and* deception are at play here. Next, notice He refers to them as “the children of them which killed the prophets”. Many Israeli kings decided to turn against God, the real One and worship a certain Angel of Light and were punished accordingly. These then represent fake religious leaders throughout history as represented by the current crop of social gospel, Catholic, National Council of Churches and Episcopalian Pharisees and scribes (and don’t forget the allied money-changers, the predecessors to our very own gang bankers.) Of course the last verse doesn’t really need any further analysis.

Notice too Jesus says “Fill ye up then the measure of your fathers”. This is a reference to other passages in the Bible. For example, the Old Testament prophet Jeremiah is generally regarded as one of the prophets (Isaiah, Ezekiel, Daniel and Zechariah being some of the others) who while speaking to the people of his day was also speaking to the time of the end, i.e. today, 2009. The following passage alludes to the concept of a filled cup in the Book of Jeremiah:

For many nations and great kings shall serve themselves of them also: and I will recompense them according to their deeds, and according to their works their own hands. For thus saith the LORD God of Israel unto me; Take the wine cup of this fury at my hand, and cause all the nations, to whom I send thee, to drink it. And they shall drink, and be moved, and be mad, because of the sword that I will send among them. (Verses 25:15-16)

This chapter alone is filled with prophetic overtones that apply more than just the remnants of God’s chosen people Israel who were about to be overrun by the temporarily revived Babylonians as punishment for their worship of false gods (i.e., the “Angel of Light” and his “Hierarchy”). It applies to ALL nations and false religions throughout the dimension we know as “time”. Now Jesus just got done saying the Pharisees would receive “greater damnation” because they knew about God, the real One, yet still chose to ignore Him for the “Angel of Light” and his “Ascended Master” friends. Now where do we find a similar situation today? Hint: You’re reading about it and if you read Mystery, Babylon, USA you have a good understanding of this whole concept. Additionally, the rest of Matthew 23 and 24 get into end times prophecies as well. I am trying to stay on message here but the important concepts to remember are these:

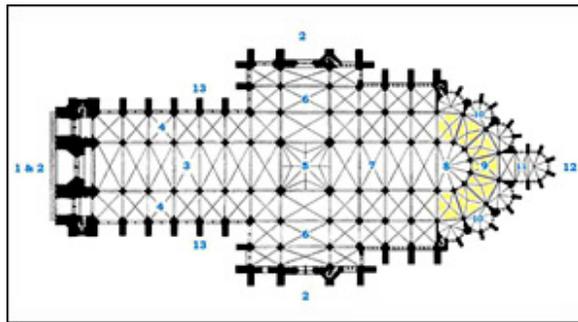

1. It is becoming very hard to separate end times prophecies from our current crop of Pharisees (like the Episcopalian and Catholic churches) and money-changers (like the closely allied Freemason gang bankers most notably those associated with JP

Morgan, Rockefellers, the Bilderberg Group, etc.). There's a reason for this, we ARE entering the end times.

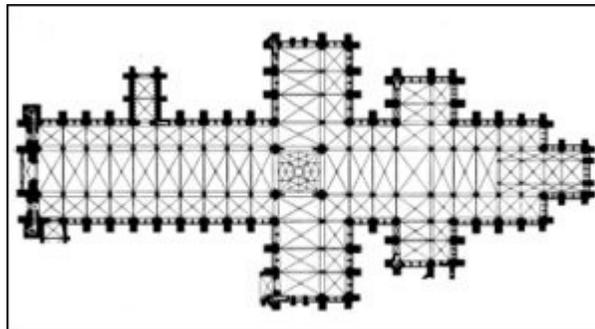

2. God punishes those most severely like those just mentioned in Number 1 and those that would consciously join with THEM.
3. A lot of this information is hidden in plain view in things like all the fake cathedrals many of us visit, worship, etc. This will be the impetus of the rest of this article. The main focus will continue to be Saint John's the Divine, Mystery, Babylon, USA.

II. Cathedrals' Commonality

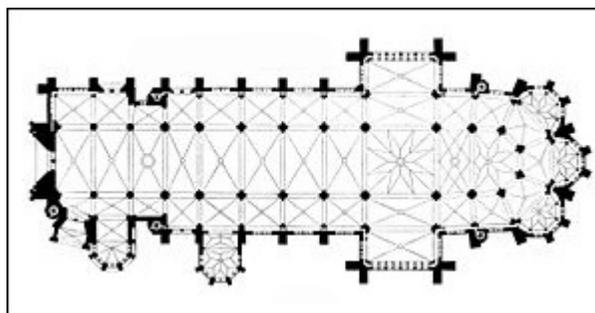

Let's start with a general description of Cathedrals. When one does a simple Google search of Cathedrals one passage that caught my Illuminated third eye of Osiris was "Cathedral diagram" by Wikipedia. Now what's most interesting to this "pilgrim" from the "imbecile majority" is the floor plans that are all exactly in tune with each other. Look at them (first three from Wikipedia "Cathedral diagram"):

Amiens Cathedral, France

Salisbury Cathedral, England

Metz Cathedral, France

St. John's the Divine, Mystery, Babylon, USA (from stjohndivine.org)

This similarity is not at all a coincidence; the Contents page on the front page to "Cathedral Diagram" includes the following list:

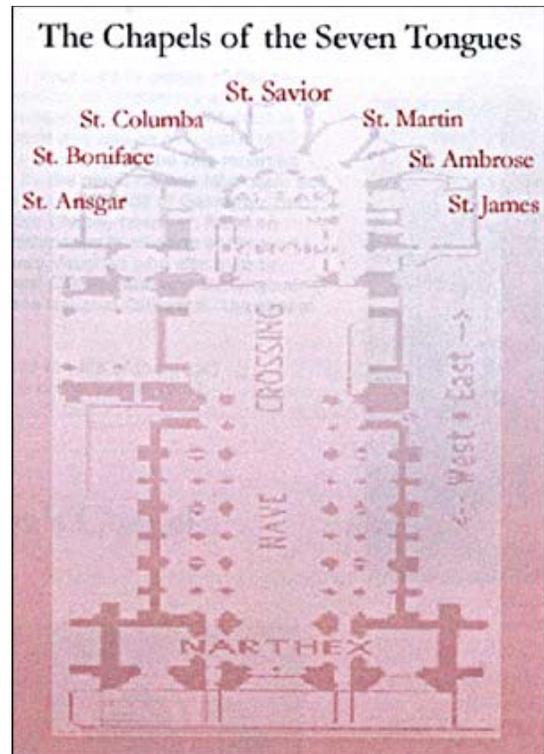

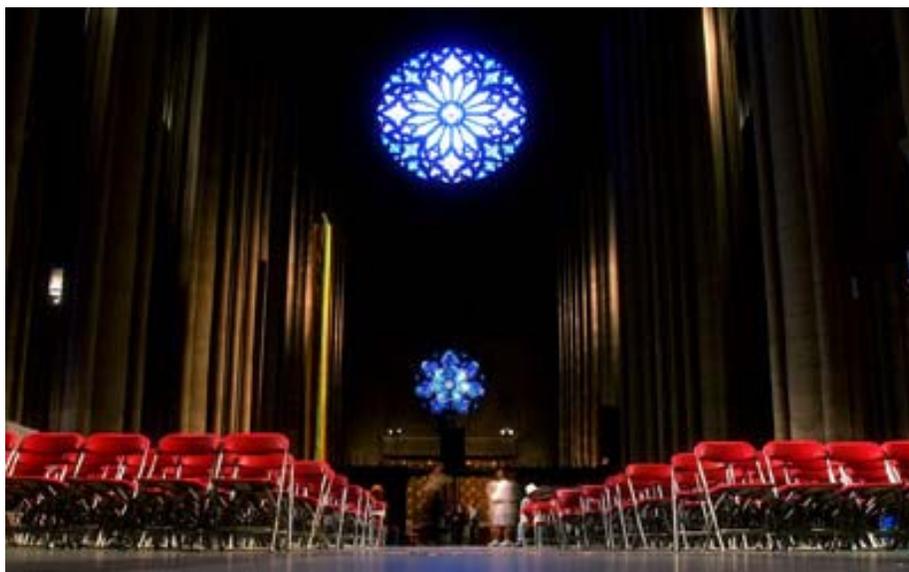

1. West end
2. Nave
3. Transept
4. Liturgical east end
5. Subsidiary buildings
6. External links

Let's quickly run through the first four.

1. West End – In "The THEorY of LIVEvolution" the concept of the rose as an occult symbol of silence was discussed. And of course on the link 322, the Georgia Guidestones and the eco wackos at the bottom of the New Age page the rose is associated with RC Christian. "Mister" Christian was an "Ascended Master" who was covered thoroughly in "The THEorY of LIVEvolution" and is also associated with the Rose (look for more on "him" on the related links page). The Rose window is a common factor to ALL Cathedrals:

The main doors are at the west end, and there are often towers on that end flanking an opening, sometimes a triple opening, into the [nave](#), often below a [stained glass "rose window."](#) (1)

Now here is the Rose Window at looking west from the nave in Saint John's the Divine:

Those ‘things’ surrounding the ‘sun-center’ of this circle appear to be angelic beings. Could this be a reference to some kind of ancient gods? It would appear that way according to “New” Age guru William Henry:

Ever since humankind began to think in spiritual terms birds have symbolized spiritual states, angels and higher forms of being.

Cave paintings from Lascaux France show bird-men demonstrating the soul-flight or the spirit-flight of shaman.

Statuettes from Yugoslavia dated to 5300 BC feature the Bird-and-Snake Goddess.

The Egyptian gods were frequently depicted as bird-men.

In Greek, the word for bird is a synonym for messages from Heaven. (2)

Etc., etc. Now recall Revelation where God, the real One, says Mystery, Babylon, USA has become a cage for “unclean birds”. In a book that any “pilgrim” can buy on Amazon.com appears this description of “The Great Rose”:

The Great Rose in the West Front (best seen from the east end of the Nave) takes its acknowledged place among the great windows of the world. It is forty feet in diameter and contains over ten thousand pieces of glass.

The dominating figure of Christ in glory is enriched by the symbols of the seven gifts of the Spirit and by a choir of angels that radiates from the centre and announces the central theme of prayre and praise. (3)

And of course these so called Rose windows have a kaleidoscope appearance. Is this a coincidence? Not according to the Mother Earth nature loons. This was covered in “The THEorY of LIVEvolution” and is repeated here:

Don’t worry I haven’t forgotten about the eco wackos. In fact let’s bring them back into the picture right now. I was able to find one explanation on the kaleidoscope in a book entitled “PaGaian Cosmology: Re-inventing Earth-based Goddess Religion”. The book “...brings together a religious practice of seasonal ritual based in a contemporary scientific sense of the cosmos and female imagery for the Sacred.” It also “...is an ecospirituality grounded in indigenous Western religious celebration of the Earth-Sun annual cycle”. Now in the section on “The Triple Goddess” is where we find out about the kaleidoscope:

She has these faces, but She is One. These faces kaleidoscope into each other, they blur, they support each other, they are in each other – if they were not Life would not go on, for She is continuous Thread, a multivalent Urge. The three are reflected in each other like a never-ending mirrored reflection, thus the numinosity associated with multiples of three since ancient times; all such multiples were considered to speak a Divine Harmony of some kind. (204)

Huh. Harmony. Didn’t “Master DK” and the “Count” act like “they” wanted to start some kind of musical career? And didn’t our “New” Age authors all discuss the day we would all be in tune with the greater cosmos or some such junk?

In addition, in the song “Lucy in the Sky With Diamonds” the Beatles (who spent a lot of time with their spiritual masters in the region around Tibet) refer to “...a girl with kaleidoscope eyes...”. So we once again have the mega-capitalist Freemason gang bankers in bed with the “New” Agers and of course the eco wackos.

Oh the “New” Age of Aquarius joy.

And who else is tied in with the Rose, the occult symbol of silence? Right, RC Christian, the mysterious builder of the Georgia Guide Stones and their anti-10 Commandments (See links **RC Christian** on the Related Links here and **322, the Georgia Guidestones and the eco wackos** on the bottom of the New Age page).

Oh what “New” Age joy, it seems THEY are indeed everywhere, THEY do indeed LIVE.

2. Nave – In “The THEorY of LIVEvolution” the concept of “cosmic oceans” and “healing waters” associated with the whore of Ancient Egypt, goddess Isis, was covered extensively. The upside down hull that serves as the roof over the nave in Saint John’s the Divine was cited as that church of Satan’s direct link to this concept of “the cosmos” or “Kosmos”. Now don’t forget to stop by and view the bottom of the New Age page to view UN-dead Kosmos Magazine that is associated with...the radical environmental movement AND the THEorY of LIVEvolution fools. The nave is another commonality to Cathedrals:

The nave (from the Latin for "ship," *navis*) is the long central section directly inside the main (liturgical west end) doors, where the public attends services. (5)

So the “pilgrims” attend services as THEY stick THEIR figurative middle finger at us saying ‘we own you and you don’t even know it’ not unlike a certain ILLUMINATED eye of evolution on the back of “your” “Federal” “Reserve” note.

Huh.

3. Transept – God, the real One, hates crosses since His only Son, Jesus Christ, the real One, was crucified on one. It was a particularly gruesome and humiliating way to die for anyone let alone God in the flesh. This is a blatant form of idolatry and is akin to say utilizing an electric chair for a guiding symbol had Ben Franklin’s discovery been around. Apparently all those that would employ this concept haven’t gotten the message; especially the architects of Cathedrals world wide. The transept is another common theme among these stone Cathedrals:

In cruciform (cross-shaped) churches, the arms of the cross (together, the "[transept](#)") which form an [aisle](#) across the building are quite pronounced; however, the transept arms might be so short as not to stick out past the sides of the building (as at [Notre-Dame de Paris](#)), or there may be two of them, as at [Canterbury Cathedral](#) and Salisbury (*right*). The transept itself may have an aisle as at St-Denis or Salisbury, or two aisles, or it may have none. (5)

4. Liturgical East End – This one is too obvious, if you understand THEIR language that is. What rises in the East? The sun or son as in the Sun god Ra (an earlier form of the “Christ-Apollo” from the Circle of Life image atop the New Age page), father to Osiris and Isis our “New” Age lovelies of the underworld and whoredom, respectively. The “Dawn of the New Age” and “The Age of Aquarius” both connect to a rising sun. Other “New” Age connections to the east include Venus, the brightest star in the night sky. Venus happens to be associated with Lucifer, “The Angel of Light” who in turn ties back to “Djwhal Khul” and “The Count of Saint Germain”. (So as not to get off message these two “Ascended Masters” **Djwhal Khul** and **RC Christian** are covered in other related links.) For now check this out: In the THEorY of LIVEvolution the words “sustainable development” popped out. This now popular term is related to Djwhal Khul who in turn ties to Lucifer’s Publishing Company that in turn ties to “ILLUMINATION” of the Sun rising in the east brining a new dawn of the Age of Aquarius or “The Age of Reason” the same one from RC Christian’s anti-commandment “Let these guide stones lead to an age of reason”. Did you get all that?:

Let me repeat. The so called mother of the “New” Age ghost wrote most of her work and “she” is today regarded as Numero Uno by many at the UN-dead; the same UN-dead we all support with our “Federal Reserve Notes”. My friends this isn’t a bunch of tree worshipping Goddess Earth nature freaks dancing around in the middle of the forest somewhere. Lucis Trust and “DK” as he’s affectionately called have been influencing many of today’s top leaders that have a direct influence on our very lives. Lucis Trust is an NGO, non-governmental organization, of the UN-dead and according to its own pamphlet it’s on the Roster of the United Nations Economic and Social Council. The UN-dead describes this Council as coordinating “...the UN’s work in the economic and social fields and promotes sustainable development, respect for human rights, poverty eradication and education for all.” How about that? “DK” is a Communist just like “his” followers at the UN-dead. I bet you’ve heard of “sustainable development”.

Just a thought but did anyone notice that our new Messiah is promising to “bring American to a New Age” in his “historic inauguration”? And of course we had eco wacko high priest Al Gore coming out to the song “Age of Aquarius” at the Democratic National Convention in August.

Uh oh.

Is it me or is this whole thing getting VERY creepy? And I thought we were talking about Cathedrals...

I almost forgot, these “Liturgical East Ends” are another commonality to Cathedrals world wide:

The end with the altar in it is normally at the east (right in the diagrams), for symbolic religious reasons, though frequently the building cannot be disposed in such a way as to make that orientation very precise. Indeed, even in cathedrals, liturgical and geographic directions can be in almost precise opposition (e.g., St. Mark’s Cathedral (Episcopal), Seattle, Washington, in which liturgical east faces almost precisely due west), and in parish churches, liturgical directions rarely coincide with geography. (6)

Hmmm.

Let's run through a few more common characteristics of Cathedrals. Many of the most prominent conform to what is called 'Romanesque architecture' a "Gothic" style deriving from the Roman Empire incorporating features of Western Roman and Byzantine structures. Of course Western Roman and Byzantine were the last bastions of the Roman Empire before its ultimate demise via moral and financial decay not unlike say "The Late Great USA". Among the main distributors of this architectural style are those associated with the Crusaders, who fought in the Catholic Church's "religious" invasion of the Holy Land (the Middle East) around 1000-1200 AD. Amongst the so-called crusaders was the Knights Templar who are associated with our "Ascended Master" and Georgia Guidestone 'friend', RC Christian (see related link). But let's stay on message here. Another feature of these monoliths of blasphemy are dark, dungeon like rooms known as 'crypts'. Now call me crazy but does sound like fun? Of course the first that comes to mind is "The Tomb". This is where the Skull and Bones, the American version of the European illuminated or ILLUMINATI, choose to hold their secret meetings. If this sounds like "conspiracy theory" it has been mentioned several times that Skull and Bones counts among its members both gang banker lackeys "conservative" George H. and W. Bush and "liberal" John Kerry. Now where else did Skull and Bones pop up? Right, the ENVIRONMENTAL MOVEMENT (see link 322, the Georgian Guidestones and the eco wackos on the New Age page).

Remember Jesus Christ, the real One, referred to the Pharisees, forerunners to our fake eco wacko/Freemason religious leaders as beautiful on the outside and but inwardly as 'whitewashed tombs'. And where is the most prominent of the world's Cathedrals that just so happens to be ground zero of the "New" Age eco wacko loons?

III. Saint John's the Divine 'seer', Mystery, Babylon, USA

This one, whose cap less pyramid just so happens to occupy the front cover of "The THEorY of LIVEvolution" and this web site, was covered extensively in the book. In a nutshell, no pun intended, it was originally funded by JP Morgan, American gang banker extraordinaire of the nineteenth century. Today it serves as the nexus of the radical environmental movement. Let's take a gander to substantiate this position. A good place to start would be "conspiracy theorist" Ted Flynn's book "Hope of the Wicked". In it he ties the following organizations directly to Saint John's and some even share 1047 Amsterdam Avenue, New York, NY, the church of Satan's address:

1. The National Religious Partnership for the Environment (NRPE)
2. The Lindisfarne Association
3. The Gaia Institute
4. The Temple of Understanding

1. NRPE, 1047 Amsterdam Avenue, New York, NY 10025 (from yellowpages.com)

Let's look at the NRPE for starters. The homepage (nrpe.org) has these gems of wisdom among others:

With Earth in grave environmental peril, many religious Americans are seeking to respond through our faith. Through the many gateways and galleries of this website, we offer resources and accounts of how people of faith are acting upon God's mandate to be stewards of our precious Earth. (nrpe.org)

Now again as stated in the link **Beware the environmental movement, beware the environmental movement** (New Age page) we most assuredly must take care of the environment. But these people reek of those in **Romans 1** (see link on the home page) who “worshipped and served the creature more than the Creator”. And who’s involved here?

The National Religious Partnership for the Environment is an association of independent faith groups across a broad spectrum: the U.S. Conference of Catholic Bishops, the National Council of Churches U.S.A., the Coalition on the Environment and Jewish Life, and the Evangelical Environmental Network. (nrpe.org)

And what turns up on top of the web site? A link to...the National Council of Churches (NCC) headquartered on Riverside Drive, a short drive from 1047 Amsterdam Avenue. And who provided the funding behind the organization? Why none other than JP Morgan family’s gang banker buddies, the Rockefeller family represented by John D. whose goal was to “promote and facilitate cooperation among America's churches” (from Wikipedia). Hold that thought; let’s look into the NCC for a moment. Its predecessor was a Communist front group known as Federal Council of Churches. One of its precepts is none other than “liberation theology”, another Barak “I’m a Christian” Obama favorite a la “God damn America” Reverend Jermiah Wright. NCC’s own web page has the NRPE on top of its Our Partners page. The other partners read like a veritable who’s who of pseudo religious/eco wacko groups. The NCC is tied directly to its international counterpart, the world council of churches (WCC). In fact here are just two news stories that indicate where these green religious people of the Earth are coming from (both on nccusa.org):

NCC Eco-Justice staff named WCC 'Blessed Peacemakers'

Washington, December 5, 2008 -- The National Council of Churches' Eco-Justice staff are recipients of the 2008 "Blessed Are the Peacemakers" award of the U.S. Conference for the World Council of Churches.

Dr. David G. Hallman, who recently retired as the WCC's Climate Change Coordinator, read a citation that praised program director Cassandra Carmichael and her staff for "an expanded and yet focused engagement on a wide range of issues including biodiversity, climate change, consumerism, Earth Day, energy, environmental health, food and farmlands, green churches, liturgical resources, public lands and wilderness, and water conservation."

The seventh annual Ecumenical Advocacy Days will engage a new congress and a new president

Washington, January 6, 2009 – A new congress and a new administration will be grappling with the toughest issues in decades this March 13-16, 2009, when more than

700 persons of faith arrive from around the country to press their views on peace, justice, the environment and economic fairness. (7)

Now that second one should especially send a shiver down your spine when listens to our new Messiah with cute quotables like “world citizen”, “economic justice” and “spreading the wealth around”. Hey morons, your new ‘Messiah’ is surrounding himself with the same gang bankers of the past like Timothy Geithner, Lawrence Summers, Zbigniew Brzezinski, George Soros and...David Rockefeller. THAT name AGAIN? A quick run over to the Rockefeller Brothers Fund site (rbf.org) turns up a direct link back to the NRPE on its grantsdatabase. The reason, to help Mother Earth of course, from the richest industrialists in the history of the world (chuckle, chuckle):

For its (NRPE’s) collaboration with the Evangelical Environmental Network to build evangelical support for action to mitigate global warming. (8)

Umm I thought it was “climate change”. Davie probably didn’t get that memo. Just a hunch but maybe there’s more to this RBF. A “conspiracy theorist” website offers this tid bit on The Rockefeller Brothers Fund:

The current Chairman of RBF is Steven C. Rockefeller, who drafted the [Earth Charter](#) for the Earth Charter Commission and Earth Council. Blaming capitalism for many of the world's environmental, social, and economic ills, this document [laments](#) that "the dominant patterns of production and consumption are causing environmental devastation, the depletion of resources, and a massive extinction of species." "The benefits of development are not shared equitably," adds the Charter, "and the gap between rich and poor is widening."(9)

“Blaming Capitalism”...from THESE guys? Enough said. Interestingly enough Stevie was also behind the UN-dead Population Fund (UNFPA), an organization that will soon be benefiting from anti-alive babies half white Barak Obama’s “Christian” efforts to lift all restrictions on (black baby reducing) abortion.

Didn’t this start out as a discussion on “Christian” Cathedrals? A whole book can be written just on this subject alone! Feel free to peruse the aforementioned web sites to fulfill any doubts you may still have about the REAL environmental movement. Just don’t ever forget: it ain’t about saving Mother Earth. Let’s move on.

2. The Lindisfarne Association

I went a little long on the last segment so this will be brief. We’ll go right to the horse’s mouth, none other than the founder of the Association, William Irwin Thompson. The following excerpts are directly off his web site (sarcastic commentary is from yours truly):

The Lindisfarne Association was founded by the American writer William Irwin Thompson in New York City in December of 1972. Inspired in 1967 by Michael Murphy's work in bringing Eastern philosophy and Western psychology together in the establishment of Esalen Institute in Big Sur, California, Professor Thompson returned to his teaching position at M.I.T. and sought for new ways to broaden the humanities by

exploring the mystical roots of Western science and by bringing meditation into the thinking of philosophy and the practice of science and art. (10)

“Mystical roots of Western science”? Never mind. Here the author affirms not only are the gang bankers into ILLUMINATION or the “All Seeing Eye” or capping cap less pyramids but the “New”Agers are as well:

Fundamentalist zealots, who have not experienced these inner illuminations and transformations, are both full of fear and then rage that they have been excluded from some mystery, so they reify religious belief into textual literalisms and then use these as a license for persecution and murder of their rivals. An initiate of these inner experiences recognizes that whether it is the case of the Egyptian serpent rising out of the forehead, or the Indian snake of kundalini, or the Mexican serpent turning into a plumed Quetzal bird, or the winged snakes of the caduceus of the god Mercury, or the snake worship of the Druid priests that St. Patrick drove out of Ireland, that a single experience of illumination has been encoded in the imagery. What is common to them all is human physiology, with its energies, both physical and subtle. Of course, most scholars, especially those who have not experienced this physiologically based process of illumination, would object to such global theories of transcultural communication and see them as some form of Pynchonesque conspiracy network.

Ummm count me in with the last group.

It is sad to think how little of the esoteric and initiatic has survived in modern Christianity, but given our Western history of the Albigensian Crusade, the Inquisition, and the witch trials, it is not surprising that those who know are not talking, and that those who talk do not know. Now seekers of illumination and enlightenment must go to Japan, Tibet, or India to find something as simple as a breathing technique for quieting the noisy inner dialogue of the mind so that the aspirant may enter states of consciousness deeper than egocentric prayers of God give-me-this and give-me-that. Americans have to go to the "New Religions" because our old religions of Catholic, Protestant, and Jew tend to give us the institutional culture of priests and not the experience of the divine. (11)

Here is the tie in with Saint John’s and the ROCKEFELLERS once again ho-hum just more “conspiracy theory”:

Thompson's writings and lectures were brought to the attention of Laurance S. Rockefeller and Sydney and Jean Lanier, and they assisted in the establishment of a facility on Long Island in 1973. With the encouragement of Nancy Wilson Ross and Dean James P. Morton, Lindisfarne began its activities in a working relationship with the Zen Center in San Francisco and the Episcopal Cathedral of St. John the Divine in New York and this helped Lindisfarne's work to be ecumenical and national from the start.

These passages really caught my ILLUMINATED third eye of Osiris:

...Robert McDermott lectured on Sri Aurobindo, and Gary Snyder and Paul Winter did poetry and Jazz on Snyder's Pulitzer Prize winning *Turtle Island*. (12)

Turtle Island just so happens to correlate with the name “New Atlantis” and is the same name the native American Indians called the United States according to “New” Age author William Henry:

The Underworld of the ancients and the Christian Hell are not the same place. The ancients did not hold the view that the underworld strictly was a place of punishment. This secret place was also a place of pleasure where enlightened beings were granted every wish (due to the fact that they could manipulate matter with the Life Force energy). The Greeks called it Tartarus, from the ‘tortoise’. The American Indians called it Turtle Island.

We call it North America. (13)

Additionally, according to “conspiracy theorist” Patrick Heron, the name “Tartarus” is also relevant:

This (II Peter 2) tells us that these angels who committed the sin which precipitated the Flood are “thrust down to Tartarus”. What makes this interesting is the fact that the word “Tartarus” is used only once in the entire New Testament. The only other place it is found is Greek mythology. The Tartarus described by Homer is the subterranean prison of the giants, who rebelled against Zeus. In similar way, Egyptian writings speak of the “Underworld”. Could it be that these ancient “mythologies” are describing the place where the Nephilim, the fallen evil angels who perpetrated all the violence and heinous crimes in the days of Noah are kept?

Putting this information together with the Ancient Greek and Roman mythologies, we can hazard that the gods of old were actually Nephilim and their offspring. And that these old myths actually have their foundation in primitive truths which have changed into legends that have been passed down to us today. (14)

Getting back to williamirwinthompson.com, what’s even more disturbing is this passage:

Paul Winter began the series of solstice and equinox concerts that still continues at the Cathedral of St. John the Divine, and the Harmonic Choir presented some of the very first of their recitals of Hoomi singing. (15)

This reverence of the equinoxes is covered in the link **322, the Georgia Guidestones and the eco wackos** on the New Age page. And who was “New” Age guru’s (and Adolf Hitler and abortion founder Margret Sanger icon) Helana Blavatsky’s “Ascended Master”? Koot Hoomi.

Quick review: We’ve just made connection between the Rose, “dirty birds”, enlightened beings, Ancient “mythology”, the eco wackos and THEM.

Are these “dirty birds” that are “enlightened” WATCHING US? Is this THEM? Ummm...

3. The Gaia Institute, 440 City Island Ave., Bronx, NY 10464

Gaia is an ancient Greek word referring to the “Earth Mother”. It was covered in “The THEorY of LIVEvolution” along with the other eco wacko groups. For now, the Gaia concept is succinctly summarized in the opening paragraph on Wikipedia:

The Gaia Movement is an international network of individuals and groups that share a concern for living more sustainably on the earth. The term "Gaia" comes from [Greek mythology](#), where it is the name of the [Goddess of the Earth](#). In the late 1960s, independent [ecologist](#) and [environmentalist James Lovelock](#) used the name in his [Gaia hypothesis](#), which posits that the earth is a [superorganism](#). This theory has gained much support in the environmentalist movement. (16)

Okay enough said.

4. The Temple of Understanding, 211 E. 43rd St., New York, NY 10017

The following excerpts are from the organization's web site:

We educate youth and adults both cross culturally and inter-religiously for global citizenship and peaceful coexistence; advocate for acceptance and respect for religious pluralism by the worlds governing bodies; and actively continue our role in the Social Justice Movement.

Founded in 1960, the Temple of Understanding is a 501(c) not-for-profit and Non-Governmental Organization (NGO) in Consultative Status with the United Nations Economic and Social Council. (17)

Now that name rings a bell...right back to Lucifer's Publishing Company (now Lucis Trust) over at the UN-dead (from "The THEorY of LIVEvolution):

Lucis Trust is an NGO, non-governmental organization, of the UN-dead and according to its own pamphlet it's on the Roster of the United Nations Economic and Social Council. The UN-dead describes this Council as coordinating "...the UN's work in the economic and social fields and promotes sustainable development, respect for human rights, poverty eradication and education for all."

So just what is important to the eco wacko loons and other "Christians" at Saint John's the Divine in Mystery, Babylon, USA? Here are just two stories from years past to honor the patron saint of ecology and animals, St. Francis of Assisi:

St. Francis at St. John the Divine, Few churches honor the patron saint of ecology with more earnestness and verve – and with more animals in the pews and aisles – than the Episcopal Cathedral of New York. (americancatholic.org, October 2003).

Americans blessed in tribute to St. Francis of Assisi

New York (CNN) New York's Cathedral of St. John the Divine had a few unusual visitors Sunday – an elephant, a camel, a monkey and a pet pig among them. (cnn.com, October 5, 1997)

At the end of the Appendix in “The THEorY of LIVEvolution” discussing “Alchemy & Mysticism” AND this church of Satan appears this warning:

This is the inside roof of St. John’s the Divine ‘seer’. Those things appear to be UFO like entities off of Star Trek or something similar. Is this what THEY are trying to contact in the cosmos (Kosmos) with THEIR Meru Antennas from Mystery Babylon, USA to Tibet to Giza with THEIR “New” Age music tones? Well THEY have certainly pushed the envelope. And I fear someone or something has been listening.

God, the real One, helps us all that haven’t fallen under the spell of THEM.

This situation is moving so fast with the Messiah now in power check out relevant news stories for the latest and greatest.

By the way didn’t we start out talking about Cathedrals?
