

## 8. CATHEDRALS

So here we are, once again, back at the concept of Cathedrals and...the radical environmental movement. Specifically let's look, once again, at the Cathedral of Saint John's the Divine right here in Mystery, Babylon USA or New York City. So as not to re-hash old information the reader is referred to Section 3r and Appendix A of "The THEorY of LIVEvolution" for an in depth discussion of Satan umm Saint John's. It also reared its ugly head in the **Cathedrals** link on the related links page of the Mystery, Babylon USA page. Additionally, it crept, no pun intended, into some of the links on this overall discussion of our new friend RC Christian, particularly **Holy Grail**. And I ask the reader, once again, to bear with me as it is essentially impossible to separate some of this stuff and avoiding 'spillover' between subjects. Also, I come across new information all the time like pieces of a jigsaw puzzle falling in to place. Nonetheless, I will try to strike the best balance between providing enough background information along with some new insight. This section is broken down in to two topics, symbols and numbers according to the following outline:

### A. Symbols

- i. The Horned god
- ii. The Cap less Pyramid

### B. Numbers

- i. 7
- ii. 12
- iii. 18

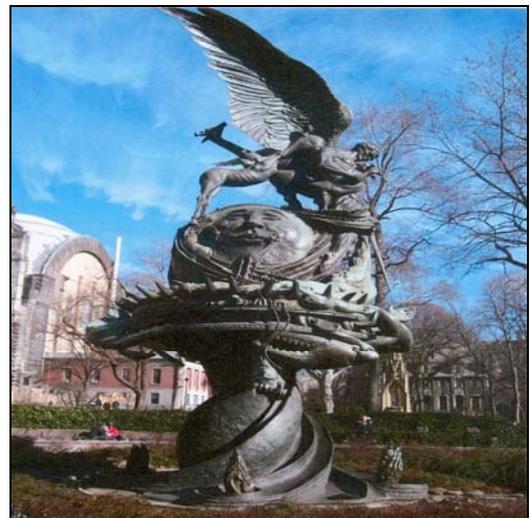

Without further adieu let's get right to it.

### A. Symbols

#### i. The Horned god

Let's start with a little background. I've personally toured this American Tower of Babel on multiple occasions. Not only is it rife with all kinds of non-Christian, pagan and outright Satanic symbolism, it serves as the home of the modern eco-wacko environmental movement. Here's a picture of the "Horned god" that appears on the grounds of this Cathedral right on Amsterdam Avenue, Mystery, Babylon USA:

As far as my original book, "The THEorY of LIVEvolution" I chose not to pursue this blatant example of paganism and Satanism right on Amsterdam Avenue, Mystery, Babylon USA

because I was already in information overload (not to mention way over length in page count). But now it has direct relevance to this entire discussion on RC Christian. Now here is just the plain horned god:

The title of this image is 'Baphomet'. This should sound familiar if you've read this series of articles in order. The Baphomet showed up in the **Holy Grail** link where it was associated with the head of Osiris and its worship was one of the many accusations levied against the Knights Templar by their allies turned rivals, the Catholic Church. Of course this "head of Osiris" or "Baphomet" is at the center of the whole Satanic "conspiracy" overtaking "The Late Great Planet Earth" predicted by God, the real One. But just to be sure that yours truly isn't the "conspiracy kook" here a simple 'Google' search of 'horned god' generates a plethora of information. Then one can see the direct tie in of "the horned god" with the two main gods of Ancient Egyptian paganism, Osiris and his sidekick / sister / wife, the whore goddess Isis.

A simple review of the above image reveals some startling insight in to this Satanic "conspiracy". Let's start from the top. There we see the flame of ILLUMINATION started by the "spark of wisdom" latent in all mankind. Of course according to Madame Blavatsky not everyone is capable of recognizing this "divine spark" especially those "savages" in places like Australia and Africa. With an outlook like this it's no wonder she served as an inspiration to the occult minded Adolf Hitler and his "race hygiene" programs as he applied the "Theory" of Evolution in an all too literal fashion. Of course Helena Blavatsky is also the veritable godmother of the "New" Age wackos and she spilled the beans on the number of the beast  $18=6+6+6$  (see **322, the Georgia Guidestones and the eco wackos** link on the new age page). And of course our new friend RC Christian discussed a "violet flame" ILLUMINATING the Gnosticism (The Freemasons' 'G') or knowledge that man can become God, the real One. Now of course this "ILLUMINATING flame" is also represented by a certain eye on the "Great" Seal as symbolic of the "Great" Architect of the Universe (see **Great One** link). Do you see how all this stuff ultimately connects?

We haven't even gotten to the horns on the so-called horned god and already he ties directly to our new friend RC Christian not to mention Satan himself.

And speaking of those horns....

Besides the obvious reference to the devil's horns of "legend" notice the five pointed star or pentagram, another symbol of blatant Satanism. Now of course the Freemasons and "New" Agers will tell us in the "imbecile majority" that they don't worship Satan but come on...we have the Angel of Light's flame sitting right on top of the most popular symbol of Satanism, the pentagram. Another symbol of Satan is that of a man/goat

mutant. We can see this here by coupling the goat head and horns with the hooved feet. A little further down we have female like breasts on an otherwise manly figure depicting yet another concept of Freemasonry already discussed, the combination of the male/female. This is also symbolized by the ying/yang symbol of Eastern mysticism and the black and white checkerboard pattern depicted in many Masonic symbols. And notice he's pointing up and down symbolizing 'both' worlds, the physical and metaphysical or spiritual. The unification of these two worlds was discussed in the **Kabalah** link here. Finally, notice the two serpents twisting around a form of the "Tree of Knowledge of Good and Evil" which is right out the Book of Genesis; albeit from the "New" Age/Freemason/Rosicrucian/Illuminati viewpoint. In this viewpoint it was a tragedy that the serpent (i.e., the devil) was punished for manipulating Adam and Eve in to pursuing this "knowledge" or "gnosticism". And Adam and Eve's descendants gave us the first two "Great" Societies of world history, the pre-Flood world of "Legendary" Atlantis and the post flood world of Babel and its 'Tower of Babel'.

The horned god has also been called the son of Hermes, the Greek god of wisdom who ties directly in with Isis/Osiris if not one in the same (see **Thoth/Hermes/Mercury** link). He is also associated the god of nature or the "Green Man"; again the concept of a nature god ties directly into Osiris. And recall from the **Holy Grail** link "Green Man" symbols are found throughout the Knights Templar inspired Rosslyn Chapel in Scotland. But don't take my word for it, here are some excerpts directly off a "New" Age website, paganspath.com in regards to the "horned god":

The consort of the Goddess and symbol of male energy in the form of the divine, The Horned God reigns. He is the lord of the woodlands, the hunt and animals. He provides for the tribe through the hunt and is honored or rewarded for his deed by being permitted to copulate with the Goddess through the Great Rite.

The Horned God is is the lord of life, death and the underworld. And is the Sun to the Goddess' Moon. He alternates with the Goddess in ruling over the fertility cycle of birth, death and rebirth. He is born at the winter solstice, unites with the Goddess in marriage at Bealtaine, and dies at the summer solstice to bring fertility to the land as the Sacred King. (1)

This is a veritable description of Osiris, the 'archetype' god of Ancient Egypt who, once again, ties directly to our new friend RC Christian. Here's a little bit more to establish the outright Satanic properties of the eco wackos and their criminal masters like the former JP Morgan as this horned god sits in plain view on the grounds of the JP Morgan financed church of Satan/religious home of the eco wackos known as Saint John's the Divine:

As Osiris the Egyptian god of the lower world, he is seen as the judge of the dead. Linking him to the concept of Cernunnos as the guardian of the gate to the Other World. He is the brother of Isis, but he is also her husband. Isis as the goddess of fertility her status as the Mother is propagated by the services provided her by Osiris. Once again linking his image with that of the Horned One.

As the Green Man he is the God of the woodlands and vegetation. He is also known as 'Green Jack', "Jack in the Green" and "Green George". He represents the spirits of the trees, plants and foliage who has many powers over nature that promote growth. (2)

Additionally, the 'horned god' of the Celtic people he is described as "...guardian of the portal leading to the netherworld" and "the god of Hell" making him essentially synonymous with Odin, another archetype tied directly to RC Christian (see **Odin/Quetzalcoatl the Return of THEM** link).

So let's sum up: Horned god = Osiris = Odin = Buddha = Quetzalcoatl = Green Man = god of the Knights Templar = RC Christian = Lucifer/Satan = contrary to Jesus Christ, the real One or "anti-Christ"

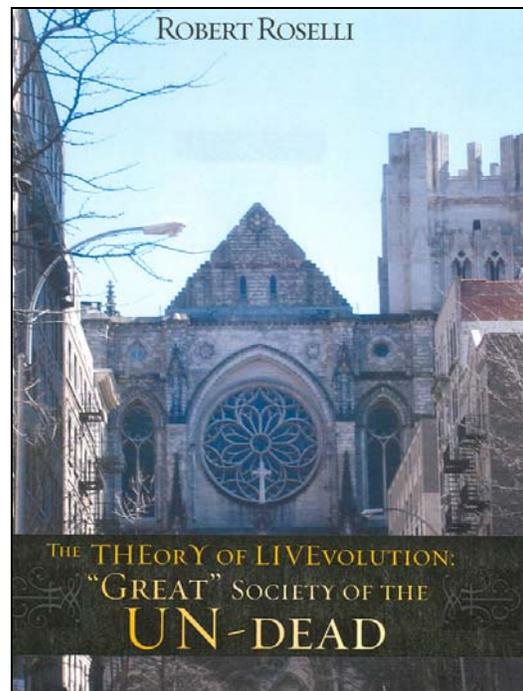

## ii. The Cap less Pyramid

Also, Saint John's the Divine's cap less pyramid occupies the front cover of "The THEorY of LIVEvolution" reproduced here for convenience:

It has been alluded to many times the concept of the cap less pyramid and the "All Seeing Eye" of Osiris having its roots in Ancient Egyptian paganism as well as serving as perhaps the most utilized symbol of Freemasonry. But just in case you missed all that here's reliable standby "New" Age author William Henry to tie in many of the concepts already discussed not the least of which is the "Great" Seal:

Did the three wise men, FDR, Wallace and Roerich find an actual baby or (adult) Christ in mystic Mongolia? One piece of circumstantial evidence that suggests they found something of extraordinary value, and is an important clue that points to the nature of the Grail Stone or Head of the Church, is found on the back of the one dollar bill. The Great Seal features a truncated pyramid with the All-Seeing Eye enclosed within sunburst behind it.

This symbol brings a cascade of illumination to the nature of 'stone' sought by FDR. To Freemasons, ('the mystery school of American

presidents’) this ancient Egyptian symbol represents the Second Coming of Christ who is referred to as the “chief cornerstone”. There is only one type of building that has a chief cornerstone: and a capstone: that building is a pyramid. (3)

Similar information came into the discussion on several other links including **Holy Grail** and **Great**. And here’s the description right out the guide book any “pilgrim” can buy from the Saint John’s gift shop:

On St. John’s Day (December 27), 1892, with great ceremony, the cornerstone was laid.

At the climax of the historic rites a hush fell over the assemblage s Bishop Potter struck the massive stone three times with a large wooden mallet. “Other foundation no man lay,” he exclaimed, “than that which is Jesus Christ”.(4)

Now the concept of a “cornerstone” is another blatant rip-off of Jesus Christ, the real One as He laments in Matthew 21:

Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord’s doing, and it is marvellous in our eyes? 43 Therefore say I unto you, The kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof. 44 And whosoever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder. 45 And when the chief priests and Pharisees had heard his parables, they perceived that he spake of them. 46 But when they sought to lay hands on him, they feared the multitude, because they took him for a prophet. (Verses 42-46)

As has been explained in multiple instances on this website (for example see **archetypes** link) Jesus Christ, the real One, is no fan of fake stone cathedrals. And He really can’t stand the ‘stonebuilders’ or “Freemasons” who built all the fake temples of history from the “Great” Pyramid of Giza to the French Cathedrals of Notre Dame and Chartes to Scotland’s Rosslyn Chapel to Rome’s Saint Peter’s Cathedral to MYSTERY, BABYLON’s Saint John’s the Divine Cathedral. Also, He was no fan of the money-changers who He chased out of Solomon’s Temple with whips and their bosses mentioned here, the Pharisees, referring to them as “hypocrites”, “vipers and thieves”, “whitewashed tombs” and asking “how can ye escape the damnation of hell?” As seen in the **Kabalah** link, the Pharisees and money changers represent the Satanic “conspiracy” overtaking “The Late Great Planet Earth” happening as you read this. As an aside and another basic Biblical falsehood no person, not even John the Apostle, is regarded as ‘Divine’. There is only one Divinity, God and His human manifestation, Jesus Christ, the real One. So in the name Saint John’s the Divine itself is yet another aspect of contrary to Jesus Christ, the real One or “anti-Christ”.

Here is how the Rosicrucians and their allies the Freemasons, Illuminati and associated ilk view stone temples:

The earliest traditions relating to temple building depict them as dwelling places of deity, where the creator, god or goddess, invited to enter his or her house, may choose to communicate with the created...It becomes, in effect, a tremenos, a place set apart, where an invisible line shows that here divinity lives and that to enter this space means to enter the sphere of the divine, the reflection of heaven on earth. (5)

God, the real One gave specific instructions to His Chosen people Israel to build Solomon's Temple. The 'architect' who helped out the Israelis was none other than Hiram Abiff, "The Master Architect". In the **Holy Grail** link, I documented how Rosslyn Chapel in Scotland is a 'mini' Saint John's the Divine based on a visual observation of its layout and floorplan. This passage from some high level Freemasons confirms this concept:

Putting together the evidence of these three very senior academics from Cambridge, Sheffield and Edinburgh Universities, it seems we have proven our argument that Rosslyn was designed as a replica of Herod's Temple. (6)

Basically what this boils down to is that ALL the major Cathedrals in the world follow the same basic floor plan (see **Cathedrals** link on the Mystery, Babylon USA related links page) and all were 'designed' under the inspiration of the "Great" Architect of the Universe, Hiram Abiff. And Mr. Abiff is yet another manifestation of our new friend, the man, the myth, the "Ascended Master" RC Christian. Here Oxford historian Mark Booth explains:

...he may be seen as the living spirit of esoteric Freemasonry...  
...he had learned to reconstitute his body after death.

This should alert us to an even deeper mystery. In an earlier incarnation Rosenkruecz/Germain had been Hiram Abiff, the Master Builder of Solomon's Temple. The murder of Hiram Abiff has led to the Word's being lost...Part of the mission of Saint Germain, through esoteric Freemasonry, was the reintroduction of knowledge of the word into the stream of history.

...In the phrase Liberty, Equality, Fraternity St. Germain looked forward to a time when humanity would reach out to the Sun god with freedom of thought and will, as they had failed to do the first time He came.

These men were preparing the way for the Second Coming. (7)

The term "Liberty, Equality, Fraternity" was the mantra of the disastrous French Revolution with the 'physical' RC Christian at its core as discussed in the **Physical RC Christian** link. But what's really disturbing here is this "...preparing the way for the Second Coming". Now we've already established that RC Christian is the very antithesis

of Jesus Christ, the real One, or “anti-Christ”. Therefore, preparations are being made for someone who is “Anti-Christ”.

And of course if you’ve read the previous links it should be old news by now that RC Christian is an extremely enigmatic physical/mythical figure of history that, if “he” lived physically at all, is associated with entities from Hiram Abriff, Master builder of Solomon’s Temple around 1000 BC to Robert Christian builder of the Georgia Guidestones 1981 AD. That’s a span of almost 3,000 years, if you’re counting.

The concept of Temples was introduced in “The THEorY of LIVEvolution” and is discussed again on the **Temples** link of the Mystery, Babylon USA page. For now suffice it to say God, the real One, gave the specifics for His Temple to King David who because of his own transgressions passed the responsibility to his son King Solomon. To make a long story short even God’s Chosen people weren’t all that great as His Temples became focal points of those that wanted to have the power to control all Israel in their own hands (i.e., the Pharisees and money changers.) Eventually, His Temple plan didn’t work out as He was forced to come and sacrifice Himself in a new agreement or New Testament with not just the Jews of Israel but mankind as a whole (i.e., the Gentiles). Unfortunately, subsequent entities like the Gnostics, Knights Templar, Freemasons, today’s “New” Agers all miss this basic concept and continue to pursue fake temples of stone and false idols like the horned god and “mother earth” and seek the “Holy Grail” of Godhood.

Remember, at the same time these groups cherry pick certain concepts of the Bible they continually label the blatantly pagan and sun god worshipping Catholic Church as “Christian”.

## B. Numbers

### i. 7

In “The THEorY of LIVEvolution” and the **322, the Georgia Guidestones and the ecowackos** link on the new age page it was noted how often the “New” Age/ Freemason/Illuminati/Rosicrucian/ crowd utilized the number 7. For example Helena Blavatsky describes the seven sciences, seven kingdoms of nature, seven levels of initiation into the Mysteries for the Ancient Egyptian Priests, seven metals of alchemy, seven chakras of the human body, etc. And in Section 3r of “The THEorY of LIVEvolution” I documented the seven chapels at the east end of Saint John’s, all representing white European countries by the way.

When a “pilgrim” takes the walking tour of Satan umm Saint John’s, the number 7 comes up in Kabalah fashion. Recall from the **Kabalah** link that all whole numbers break down to their whole number integers between 1 and 9. On the tour we “pilgrims” are told that the height of the roof above the main worship area adjacent to the “Great” Altar is 124 feet since  $1+2+4=7$ . It also came up again in the overall length of the building which is 601 feet. Again,  $6+0+1 = 7$ , so we “pilgrims” are told. However, this “conspiracy

theorist” now notes that ‘601’ is the exact opposite or ‘reflection’ of ‘106’ the age of Christian Rozenkreuz when he ‘died’. Could this be a coincidence? Definitely not. Remember that Cathedrals were the benchmark of the Knights Templar after their excursion into the area of the ruins of Solomon’s Temple (see **Holy Grail** link). And here we have the world’s largest Cathedral with the aforementioned cap less pyramid and horned god not to mention the copious pagan symbolism discussed in Section 3r of “The THEorY of LIVEvolution”. And all of this symbolism and worship centers on the ‘historical figure’ and “legend”, our enigmatic new friend RC Christian. Also, the rationale of a reflection was discussed in the **Kabalah** link. This is the mantra of ‘as above, as below’. An example of this concept is the adjoinment of two triangles in the supposed star of David, a relatively new invention of the modern day Zionists (see **Israel, Palestine and the “Jewish Conspiracy”** on the Biblical commentary page).

While we’re on the subject of triangles they also symbolize the union of the three levels of consciousness, mind, body and spirit. And in the handy booklet from Satan umm Saint John’s bookstore it notes how Saint Luke’s Hospital (body) joined with Columbia University (mind) to move into the upper west side around 1892 to adjoin with Saint John’s (spirit) in the Manhattan neighborhood known as “Morningside Heights”. And of course as thoroughly documented in “The THEorY of LIVEvolution” and on this website (The **1984** link can be accessed on the new age page) Columbia University was taken over by Rockefeller and other gang banker interests and has served as the leader of the Orwellian re-education of “The Late Great USA” not the least of which is our current esteemed “President” Obama who was taught there under the guidance of Rockefeller lackey and radical Marxist Zbigniew Brzezinski (see “**Between Two Ages**” link on the reviews page).

Got that?

Finally, 322 of Skull and Bones fame adheres to the same pattern:  $3+2+2=7$ . And what is Skull and Bones but the descendants of the Illuminati who in turn trace back to the Knights Templar and of course the 18<sup>th</sup> or “Rose-Croix” Degree of Freemasonry (see **322, Skull and Bones and the eco wackos** link on the new age page and the **Illuminati** in this series).

Once again, our new friend the “Rose Cross” of Freemasonry, RC Christian is in the middle of the mix.

ii.12

Freemason and Confederate General/real racist Albert Pike ties in the sacred numbers of 7 and 12:

The number 12, like the number 7, is celebrated in the worship of nature. The two most famous divisions of the heavens, that by 7, which is that of the planets and that by 12, which is that of the signs of the zodiac, are found upon the religious monuments of all the peoples of the Ancient World, even to the remote

extremes of the East. Although Pythagoras does not speak of the number 12, it is none the less a sacred number. It is the image of the Zodiac; and consequently that of the Sun, which rules over it. (8)

And who have we associated with the sun or Son of “god”, Hermes who in turn ties in with...RC Christian (See **Thoth/Hermes/Mercury** link). In the Kabalah multiples of the perfect number 10 reduce to the base number. So in this case 120 or 12x10 is the equivalent of 12. In numerous accounts of the ‘physical’ RC Christian it was recorded that ‘he’ had lain dead for 120 years in his ‘tomb’. According to the Mayan ‘end of days’ calendar their recordation of time ends on December 21, 2012. Also, I’ve already tied in the Mayan god Quetzalcoatl with RC Christian (see **Odin/Quetzalcoatl – the Return of THEM** link). If “THEY” have so much control over events and have since recorded history one realizes that nothing happens by accident. So if one adds 120 years to the publicized laying of the “cornerstone” of Saint John’s on December 27, 1892 (Saint John’s Day) you end up almost exactly on December 21, 2012. I don’t see this as a ‘coincidence’.

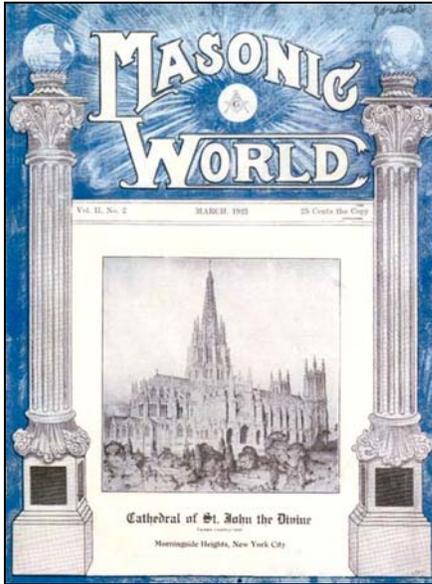

There is a 6 day lapse here and this could be for a number of reasons. To start, there may have been some kind of ‘secret’ ceremony on the Winter Solstice (December 21) of that year and December 27 was just a show for the “imbecile majority”. Or perhaps the calculations for the Mayan calendar have changed since 1892 (not all sources call on December 21 some call on December 23 indicating that not all are in exact agreement). Or maybe separating these dates by 6 days has some kind of hidden occult meaning. For example, “New” Age author William Henry describes December 21, 2012 as a time when the “serpent’s rope” will descend from the heavens for those willing to climb aboard and save themselves from the ensuing tumult on “The Late Great Planet Earth”. And I found this passage from another reliable source, Manly Hall, “Mouthpiece of Masonry”:

The figure 6 is a line descending into a circle. The coil with the line descending is symbolic of the serpent’s coil, which descends in 9 and ascends in 6. Therefore, in the case of Six, the serpent is returning upward to the power which was its source. (9)

Also, in a conversation between the archangel Gabriel and the prophet Daniel we have this exchange in Daniel 10:

And he said unto me, O Daniel, a man greatly beloved, understand the words that I speak unto thee, and stand upright: for unto thee am I now sent. And when he had spoken this word unto me, I stood trembling. 12 Then said he unto me, Fear not, Daniel: for from the first day that thou didst set thine heart to understand, and to chasten thyself before thy God, thy words were heard, and I am come for thy words. 13 But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia. 14 Now I am come to make thee understand what shall befall thy people in the latter days: for yet the vision is for many days. (Verses 10-14)

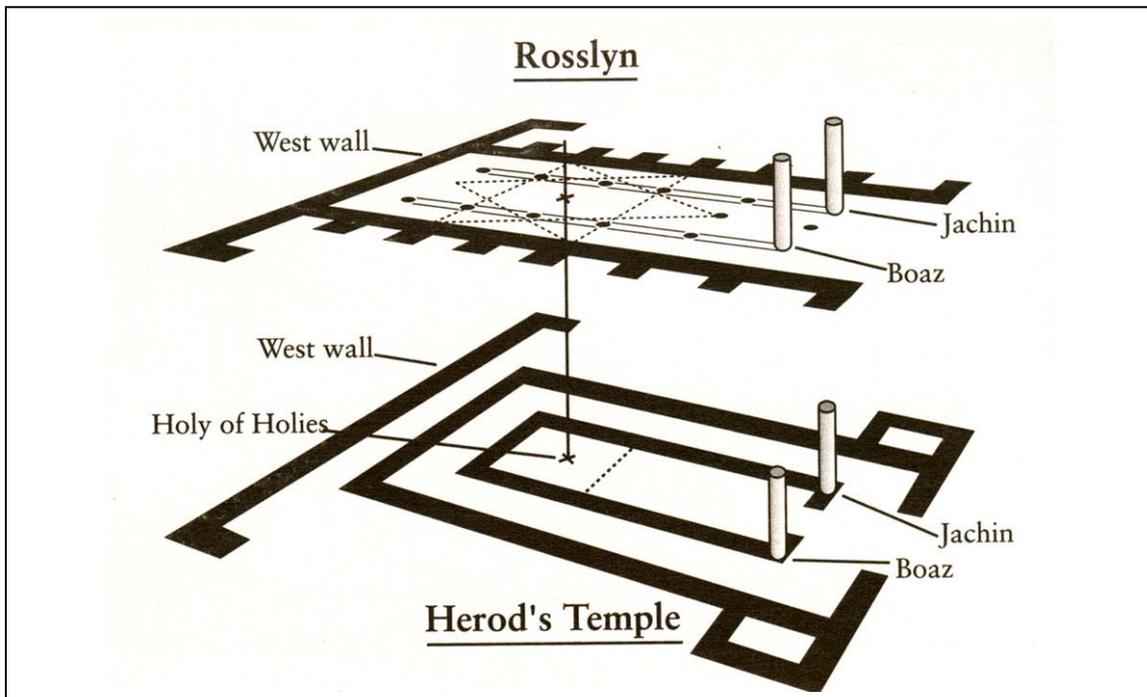

“King of Persia” denotes another synonym for Satan who is associated again with the number “1 and 20” or 120. Twelve also has significance to the “New” Age science of astrology, the forerunner to astronomy. It showed up in the 12 constellations of the zodiac with “the Christ-Apollo” at its “sun-center” (see new age page).

And finally here are a couple of more images for your ‘viewing pleasure’:

Front Cover of Masonic World, March 1925 from vigilancitizen.com

If anyone doubts that the “Freemasons” (and of course their associated groups Illuminati and the Rosicrucians) hold this edifice of evil in high regard that’s the cover of “Masonic World” Magazine with symbolism you should be familiar with by now. And just in case you’re not here’s an illustration equating the Temple of God, the real One, with that of Rosslyn dedicated to the fake god, the ‘archetype’ of history (see [archetype](#) link) RC Christian:

And just in case you missed it on multiple other links in this series here is our esteemed “President” talking to the “imbecile majority” between “two lotus headed columns”:

In summary, Saint John’s, as are all Cathedrals worldwide, is a veritable edifice of dedication to the genocidal “Great” Architect of the Universe, RC Christian, whose Georgia Guidestones are a basic summary of one Barak Obama’s (or whatever *his* real name is) new ‘science czar’, John Holdren. Look for more on this in the **Illuminati** link later.

So once again we end up with a direct tie in from RC Christian or “anti-Christ” with the current Administration who more and more would assume Mystery, Babylon and the entities who call it home like the UN-dead, the New York “Fed” and the eco wacko types at Saint John’s Cathedral run the world.

*Borrowed from vigilantcitizen.com*

Just one more thing, speaking of MYSTERY, BABYLON it seems the ‘builders’ of Satan John’s saw fit to add this chilling addition to their beloved Church of Satan:

Just in case you were wondering this envisions lower Manhattan getting crushed by a cataclysmic fireball of some sort just as yours truly predicts in **Section IV** of Mystery, Babylon USA (see link). But its apparent demise is alluded to on Satan umm

Saint John's. Umm Saint John's is a hop, skip and a jump away from this future fireball etched in stone. Can you say "To the Mouth of Madness"?

Oh the "New" Age of Aquarius joy.

iii. 18

When this "pilgrim" took the vertical walking tour of Satan umm Saint John's we "pilgrims" were shown the three main levels of the place, the "pilgrims" walk where most of the "imbecile majority" resides, the priest level and a third level representing 'heaven'. Of course we can immediately see symbolism from the Freemason/Rosicrucian crowd including the 3 levels of consciousness (mineral, plant and animal) or the 3 parts of man (body, mind and spirit) represented by the 3 floors of this place. What was really intriguing was that a few of us "pilgrims" decided to count the number of steps from top to bottom and lo and behold the number of steps was...180. Now I just got done discussing the relevance of the 'perfect number' 10 so we can easily see  $18 \times 10$  here. And what does 18 represent? Right the kabalistic sum of  $6+6+6$ , "the number of the beast" and the 18<sup>th</sup> or "Rose-Cross" Degree of Freemasonry (see **Kabalah** link here and **322, the Georgia Guidestones and the eco wackos** link on the new age page). That's Rose-Cross as in RC Christian as in everything that is "anti-Christ".

And all is hiding in plain view in front of the "imbecile majority", Amsterdam Avenue, MYSTERY, BABYLON USA as THEY tell us "screw you proles and pilgrims, we are "they" and we rule".

Isn't this fun?
