

GREAT

In the “The THEorY of LIVEvolution” I began to take note of how often the ILLUMINATED *human* types like Manly Hall, Albert Pike, Helena Blavatsky, etc. as well as many of the *spiritual* types known as “Ascended Masters” or “cosmic messengers” like “The Count of Saint Germaine” and “Djwhal Khul” utilized the word “Great”. It was used to describe things that seemed “great” for our criminal masters but really sucked for the “imbecile majority”. For example we had the following “Greats”:

The “Great” War or World War I.

Unless you were JP Morgan or his treasonous profiteering and borderless gang banker buddies World War I really wasn’t that “great”. (And speaking of JP, Saint John’s the Divine Cathedral, New York City, with its cap less pyramid, which happens to occupy the front cover of “The THEorY of LIVEvolution”, is also ground zero along with the UN-dead for the eco wackos. JP Morgan just so happened to provide much of the funding of this eco wacko-Gaia worshipping church of Satan. And inside the church of Satan we have the “Great” Rose Window, “Great” crossing, “Great” cross, etc.)

The “Great” Depression.

The “Depression” didn’t become the “Great Depression” until “New” Age occultist (see **Holy Grail** link) Franklin Delano Roosevelt came along and gave us many of the Communist umm “Progressive” programs of today like social(ist) security and all kinds of new Federal spending (which had to be ‘borrowed’ from the illegal “Federal” “Reserve” Bank to begin with). In addition he illegally confiscated the “imbecile majority’s” gold with the Gold Act of 1933. Of course the “Depression” wasn’t so “great” for the “imbecile majority” but worked out fine for gang bankers like the Rockefellers, JP Morgan affiliates, the Warburgs, Henry Ford, et. al. and the other insiders close to the “Federal” “Reserve’s” circle of power. And last but not least FDR and his equally occult minded Secretary of Agriculture Henry Wallace placed the “Great” Seal on our illegal “Federal” “Reserve” Notes to symbolize the “Great” Architect of the Universe (see below; something tells me our new friend RC Christian may be involved here).

The “Great” Society.

John F. Kennedy, his philandering antics aside, at least should be given credit for trying to fight “THEM” as far as the useless (unless you were profiting) Vietnam War and Executive Order 11110, the authorization for the United States Treasury to print debt free and real legal tender, United States Notes (see Article I, Section 8 of the Constitution unless you don’t want to be called a ‘terrorist’). Of course he was duly executed and in came “Progressive” Democrat Lyndon Johnson. Johnson and his “advisors”; many associated with the treasonous genocidal sellout David Rockefeller and the rest of the Council on Foreign Relation (CFR) treasonous globalists. Davie in turn would do business with the evil Communist Empire of the Soviet Union who were turning right

around and feeding North Vietnam supplies to fight against the “imbecile majority” in the US military who were being killed...fighting the spread of Communism in North Vietnam. Along with the disgraceful debacle known as Vietnam LBJ (and his “advisors”) gave us the “Great Society”; ostensibly to help the black population. Of course this was paired with the legitimate civil rights movement to give it an air of righteousness but just so what is so “great” about the “Great Society”? Five trillion dollars later it has done nothing but break up the black family and made them economic slaves to the ‘compassionate’ “Progressives”; most of whom are merely brainwashed stooges to the gang banker funded Ivy League American hating cesspools like Columbia Teachers’ College and Harvard excuse me HAAARverd. Again the pattern holds: if you’re in the gang banker shadow government it’s “great” profits but it really sucks for those it purports to “help”. In a nutshell, the “Great” Society has done nothing but create a mini-Orwellian, zombified government dependent slave state amongst the American blacks. I can come to no other conclusion: The “Great” Society is some kind of test case and/or preview from “THEM” to us out here in the “imbecile majority” with the American black (and other poor people) as its ‘experiment’. WorldNetDaily writer Mychal Massie sums up this whole “Great” Society sham quite succinctly:

Since shortly after the signing of the Civil Rights Acts of 1964-65, and the advent of the Great Society Initiatives, blacks have been systematically stripped of their dignity and converted from self-sufficient, pride-filled, patriotic Americans to wards of a liberal nanny government who are motivated by rage, resentment and animus. (1)

This concept of the Godless, Ma Government run “Great” Society is the source of the subtitle for my book/website (in case you were wondering).

Again this concept is covered throughout Section 3 of “The THEorY of LIVEvolution”. For now suffice it to say I came across copious other terms like the “Great” Mystery, the “Great” Mystery Schools, the “Great” League of Learning, the “Great” Tree, etc., etc.

This is only the ‘secular’ side of things; let’s get to the fun stuff. Thirty third degree Freemason and occultist Manly Hall is a great source of the overuse of the word “great” in relation to the “conspiracy theory” of the impending One World Government which THEY now call “The New World Order” to avoid the conspiracy sounding One World Government.

You follow?

Now this is where things start to get confusing; just in case they weren’t confusing enough already. After reading multiple books from “Ascended Masters” Djwhal Khul and “The Count of Saint Germaine” (i.e., our friend RC Christian) I began noticing the overuse of the word “great” in relation to everything. Now remember, these sources were ‘cosmic messengers’ and “Ascended Masters” that were being ‘channeled’ by people like Alice Bailey founder of the UN-dead’s Lucifer’s Publishing Company, Helena Blavatsky of Theosophy and Adolf Hitler fame and Elizabeth Claire Prophet of Summit University,

loony umm Los Angeles California. So as not to rehash old information this concept is discussed at length throughout Section 3 of “The THEorY of LIVEvolution” and is discussed specifically in Section 3p.

For now, let’s look at several specific uses of the word “Great” in relation to the “Late Great USA” and in fact “The Late Great Planet Earth” as they take on more relevance today, summer 2009.

A. The “Great” Work

The following excerpt is from the Section 3 of “The THEorY of LIVEvolution” discussing the rants of the “Ascended Master” Count of Satin Germaine or RC Christian. (Remember, “he” is not to be confused with the ‘physical’ RC Christian of history...if ‘he’ physically existed at all; see **Who Is RC Christian?** and other links at the beginning.)

As bad as this is the “Count” really Illuminates us with his conclusion on the “Great” Seal:

The incomplete pyramid is symbolic of the great work of perfecting the soul unto the image of the living Christ and the nation into the golden age. (94)

*Now I’m getting annoyed. What the hell, pun intended, am I not “seeing” here? This whole mess really doesn’t sound so “Great” to me. And what “work” is “he” talking about? For those of you who continue on to the (Ascended) Masters course on “DK” you’ll be **Illuminated** to the real meaning of “The Work” and the “The Plan” just like the other fools, God’s word, over at the UN-dead.*

So based on this quick passage the “great” work is associated with the “living Christ” to bring us the “golden age”. Once again a quick review:

RC Chrisitan = every ‘archetype’ god of ‘history’ and ‘mythology’ = everything opposed to or “anti” Jesus Christ, the real One = “the living Christ” = anti-Christ

“Golden Age” = “The Age of Aquarius” = Godless man is his own god = Communism/Socialism/Progressivism = “New World Order” = Orwell’s 1984.

B. The “Great” Plan.

Now if there’s a “great” work it must be striving for something. That ‘something’ is the “Great” Plan. This is also known as just “The Plan”. In a nutshell, no pun intended, this is the Satanic attempt at a one world government slave state predicted by God, the real One, in Revelation that is to begin happening oh around now (summer 2009). On the flip side, if you’re a “New” Age or Progressive fool this will be the transition from the present age to “The Age of Aquarius”. This is when everyone from KGB/Mother Russia leader Vladmir Putin to Communist dictator Hugo Chavez to “the religion of peace” to “The Late Great USA” will sit around having love ins, chasing butterflies and singing

John Lennon's "Dreamer" over and over. That is if you're allowed to live as per RC Christian's Georgia Guidestones that specify around 90% of the world's "useless eaters" become ex-"useless eaters". If this sounds bad at least RC is in front of CommunNist founder Ted Turner who advocates a 95% population reduction. Anyway, here's Manly Hall "Mouthpiece of Masonry" on what "The Plan" actually is:

When evaluating the esoteric groups of this period, the most reliable is their acceptance of the responsibility of the Great Plan. Progress is not ordinarily for the advancement of the individual, but for the unfoldment of the universal project. The real Esoteric Schools still labor toward the goal of World Commonwealth. The Plan remains utopian...(2)

Now a basic description on how "The Plan" – or what he calls "the global democratic commonwealth" is *supposed* to work:

All of the great leaders of ancient times realized and taught that the establishment of a state of permanent peace among nations depended upon the release of human ideals, through properly trained and disciplined minds capable of interpreting these ideals in terms of the common good.

World democracy was the secret dream of the great classical philosophers.

One of the most ancient of man's constructive ideals is the dream of universal democracy and a cooperation of all nations in a commonwealth of States. (3)

Umm somebody forgot to tell "The Mouthpiece of Masonry" that there are some slight 'bumps in the road' to "World democracy". One would be a 'religion of peace' that believes that all should bow to Allah or be killed; there's not a lot of wiggle room there. Of course when "universal democracy" is applied to an individual country or the entire world as we go 'transnational' someone must be the 'administrator' of this "universal democracy". A couple of the more 'popular' of these would be 'administrators' would have to include Joseph Stalin and Adolf Hitler.

And just in case anybody still thinks I'm the "conspiracy kook" with all this Satan stuff here's some quotes right out of the World Goodwill Newsletter, Volume 2, 2009, published by Goodwill's parent Lucifer's Publishing Company now known as Lucis Trust, NGO of the UN-dead, New York City (or Mystery, Babylon) USA:

But if we are crossing from one state to another, where have we been, and more importantly, in this time of world crisis, where are we going to?

Alice Bailey indicates that the transition now going on is between two different ages or epochs in consciousness. The age now passing, which has conditioned human civilizations for around two thousand years, she labels Piscean, whereas the age coming she labels Aquarian. (4)

And what was one of the titles the “Ascended Master” known as “The Count of Saint Germaine” bestowed upon “himself”? That would be “hierarch of the Aquarian Age”. Remember this “Age of Aquarius” is the ultimate man is God society and is also known as the “New” Age or the “Golden” Age.

And here are some excerpts from “The Great Invocation”, right from Lucifer’s Publishing Company:

From the point of Love within the Heart of God
Let light stream forth into the minds of men.
May Christ* return to Earth.

Let Light and Love and Power restore the Plan on Earth

*Many religions believe in a World Teacher Who is to come in the future (hence ‘Coming One’), knowing him under such names as Lord Maitreya, the Imam Mahdi, the Kalki avatar, etc. (5)

That’s just “great”; sounds like an open invitation to THEM for a return to ‘Mother Earth’. Hmm. Maybe those “Ancient Astronauts” you may have heard about aren’t “Astronauts” at all. This concept was discussed thoroughly in Section 3d of “The THEorY of LIVEvolution” and the **Kosmos** link on the Mystery, Babylon USA related links page.

By the way just another ‘fun fact’ you should probably be aware of. On the Reviews page of this website, I posted some excerpts from David Rockefeller’s puppy dog Zbigniew Brzezinski. This guy is basically a one world Marxian type as indicated by his own words. The title of his book was... “Between Two Ages”. One can only conclude that the “Two Ages” include our present age with pesky things like national sovereignty and the Constitution ruling the day to the “New” Age where we’ll have the ILLUMINATED, borderless one world nightmare slave state gulag with a dash of World War III thrown in as Mother Russia and the ‘religion of peace’ stick their two cents in as to who will actually be in charge of the “New World a-hem Order”.

Oh the “New” Age of Aquarius joy.

C. The “Great” Architect

Now of course if you have a “Great Plan” you would need a designer or “Great Architect” to implement it. Any guesses on “who” this “Great” Architect might be? I’ll let my usual standby, Manly Hall, “Mouthpiece of Masonry” clue you in:

THE SYMBOLS OF THE GREAT SEAL OF THE U.S.

Is the American Eagle actually a Phoenix? Selection of the fabulous bird of the ancients seems to have been the intention of the designer of our nation’s Great Seal.

The Phoenix is the symbol of the Reborn in Wisdom...The design on the reverse of the Great Seal is even more definitely related to the Order of the Quest. The pyramid and the all seeing eye represent the Universal House surmounted by the radiant emblem of the Great Architect of the Universe...These three symbols in combination is more than chance or coincidence (6)

this passage alone we can see several references to material discussed in other links. For example the concept of “dirty birds” was covered in the **Vampires** link. Also the concept of a “radiant” or ILLUMINATED eye on top of an uncapped “Great” Pyramid representing the “Universal House” is discussed throughout this website beginning with the front cover and title page of “The THEOrY of LIVEvolution”. They say a picture is worth a thousand words and here’s one that should conjure up some familiar sights like every time you watch “our” so-called “President” speak from the podium not to mention the back of “your” “Federal” “Reserve” Notes:

Image from Manly Hall, "The Secret Destiny of America"

But let's allow the "Mouthpiece of Masonry" illuminate us some more, no pun intended:

The Phoenix is important in another way, as an emblem among nearly all civilized nations of royalty, power, superiority, and immortality. The Phoenix of China is identical in meaning with the Phoenix of Egypt; and the Phoenix of the Greeks is the same as the thunderbird of the American Indians. (7)

So once again we can see the 'archetype' of the "dirty bird" permeating all of the world's religions...except Biblical Christianity where remember symbols are an absolute no no and God, the real One, specifically calls out "unclean birds" for destruction in Revelation 18. Let's continue with "the Mouthpiece of Masonry":

If incapable of artistic treatment, the great seal is susceptible of profound interpretation. The Pyramid of Gizah was believed by the ancient Egyptians to be the shrine of the god Hermes, or Thot, the personification of Universal Wisdom.

The Pyramid then is the Universal house, and above its unfinished apex is the radiant emblem of the Great Architect of the Universe.

...This temple to the sciences in the old Atlantis is shadowed forth in the seal of the New Atlantis.

The monogram of the New Atlantis reveals this continent as set apart for the accomplishment of the great work – here is to arise the pyramid of human aspiration, the school of the secret sciences. Over this nation rules the supreme king, the Ever Living God. (8)

This passage speaks volumes; let's quickly review. Of course we see, once again, the cap less "Great" Pyramid of Giza as the "shrine" of Hermes/Thoth. And I've already tied Hermes/Thoth/Mercury directly to our new friend RC Christian (see **Thoth/Hermes/Mercury** link). Interestingly, some sources claim the "Great" Pyramid as dedicated to the chief god of Ancient Egypt, Osiris. This indicates that all of these 'gods' are essentially synonymous and nothing more than references to the god of this world, Lucifer, "the angel of light" or Satan himself. Next, we have the redundant reference to the ILLUMINATED eye of Osiris hovering above the cap less pyramid. Then following we have confirmation that "the Late Great USA" is in fact the "New Atlantis". For those keeping score, the "old Atlantis" was the society so evil that God, the real One, was forced to paste the whole place with a world-wide deluge. You may recall that all cultures have a "flood story" and that geology supports the concept of such an event (see **Scientific Evidence Supports the Bible** link on the Mystery, Babylon USA related links page). Finally we have this reference to "the supreme king" ruling over this nation. Many "conspiracy kooks" point to passages like this and claim that our actual Founding Fathers were part of this "worldwide conspiracy". Surely there were isolated instances of this such as Alexander Hamilton working for Rothschild banking interests. But overall the Founders were low level Freemasons that were not part of the higher degrees. The higher degrees are where things like Lucifer worship and pursuit of "World Commonwealth" show up. Besides, the American version of Freemasonry was not nefarious like its European counterpart. Ultimately, the separation of powers and distinct sovereignty enumerated in the Constitution is predicated on the Biblical principle

that all mankind is prone to evil and in need of Higher guidance. So based on this one would have to say that God, the real One, won out in this nation's founding.

D. The "Great" One

After all this "great" stuff how about just the name "great"? First a quick background of my source, Israel Regardie. He was a member of something called the Order of the Golden Dawn and his almost 800 page book is entitled "The Original Account of the Teachings, Rites and Ceremonies of the Hermetic Order of The Golden Dawn". Now the word "Hermetic" should jump right out as it is obviously rooted in Hermes, the Greek god of wisdom tied in with 'his' counterparts the Egyptian Thoth and Roman Mercury. Of course all of these gods tie to our new friend, RC Christian (see **Thoth/Hermes/Mercury** link). Let's just get a quick overview of this "Golden Dawn"...say doesn't that sound just like a rising sun or the "Dawning of the Age of Aqarius" or "The Golden Age" represented by a certain leader's O?

Anyway, here's some excerpts from the back cover:

This masterwork by Israel Regardie reveals the complete curriculum of the Hermetic Order of the Golden Dawn, the seminal order that has directly or indirectly influenced every occult group for more than 100 years. Membership in the Order includedAleister Crowley, Dion Fortune...and Regardie.

...The knowledge lectures expose the mysteries of the Qabalah...and astrology...Discover the mysteries and secret rights of the pentagram...and the subtle beauty of the Rose Cross. (9)

Aleister Crowley was a high level Freemason/Satanist/certified creep as discussed in "The THEorY of LIVEvolution". He was an all around great guy who described himself as "the beast 666" and whose multiple wives either ended up in mental institutions or committing suicide. "Conspiracy theorist" Ted Flynn in his book "Hope of the Wicked" described researching Crowley's life as equivalent to "...an evening swim in a sewer". Dion Fortune was an English woman who lived in the early twentieth century. She was an influential "New" Age occultist and author on a par with Helena Blavatsky and Alice Bailey. Her most famous book was entitled "The Magical Quabalah" (for a description of the Kabalah see the link here). Ms. Fortune was also a member of Helena Blavatsky's Theosophical Society and ran in the same circles as "The New Age Madame".

In addition to these "New" Age heavyweights notice the cornucopia of items including the Qabalah, astrology, the pentagram and of course the Rose Cross already discussed on the various links here and throughout this website as "New" Age symbols of Satan himself.

Throughout this book of Satanism Mr. Regardie refers to “our Father CRC”. That would be “Christian Rose Cross”, our new friend RC Christian. In the following passage we see what the hub bub is surrounding the word “great”:

This is the Book of the path of the Chameleon – the knowledge of the colours of the forces which lie beyond the physical universe. Study thou well the saying of Hermes “that which is below is like that which is above”, for if that which is below is conformed according to the Law of the Concealed One – *Great is his name* – be thou well assured that the closer thou adherest unto the Law of the Universe in thy working, by so much the more is thy Magical working just and true. (10, emphasis mine)

So there you have it in a nutshell, no pun intended. We can see terms like “chameleon” and “Concealed One” indicating that Lucifer acts like an “angel of light” but is actually Satan, the destroyer just like God, the real One, states throughout the Bible. Also, the passage “that which is below is like that which is above” is a reference to the concepts discussed in the **Kabalah** link.

So with all this deception of “the Chameleon” going on courtesy “The Angel of Light” it’s no wonder why everything is so “Great” yet really sucks for most of those involved.

And today, summer 2009, we’re on the verge of building the “Great Society” worldwide as our ILLUMINATI criminal leaders strive to build the “Universal house” of “World Commonwealth” under the guidance of the “Great” One.

God, the real One, help us all.
