

Introduction

This is the final link in this series aptly enough number 13, a highly regarded number in occult circles. As a standalone it is a 'cliff notes' summary of the previous 12 with some new information thrown in. It can be read independently but to get the full effect of what is discussed it behooves the reader to at least go back and read the links as they are referenced here. On the other hand, if you have read them in order please remain patient with the redundant information that is discussed. Many times the information is brought up in a different context indicating just how hard it is to separate "the conspiracy".

At the end of the day this whole series of RC Christian links is a 'cliff notes' version of "the conspiracy" that stretches all the way back to the Garden of Eden as is thoroughly discussed throughout this web site. And in turn this web site is merely the tip of the ice berg in discussing "the conspiracy"; but just as in the case of an ice berg seen on the visible surface there's enough above the surface to indicate the real danger beneath in the ocean (invisible world).

As the goal here has been to identify the "anti-Christ" and establish the MYSTERY, BABYLON of Revelation 17 this link in particular will go a long way in making the case. Here's the outline:

1. [\(TH\)EverYthing is a LI\(V\)E](#)
2. [Who are "THEY"?](#)
3. [Can "THEY" Not Take the Hint? God, the real One, Hates "THEM"](#)
4. [It's in the Numbers](#)
5. [MYSTERY, BABYLON, USA](#)
