

Speaking of the horse's mouth let's get right to it, self-described 'philanthropist' David Rockefeller in his "Memoirs". This "conspiracy theorist" quotes the great Davie directly and then adds commentary and questions. Basically, if it comes down to it most of the sedated population in the "imbecile majority" will side with Davie I'm sure but screw it. Somebody has to call this guy out for the treasonous s*b that he is why not this "conspiracy theorist"? This will only cover a small portion of this guy's exercise in self love but enough to get the point across. The **1984** link on the new age page delineates this situation very specifically but I just wanted to get Davie in his own words. Without any further adieu let's get right to it.

In the first section "Grandfather" Davie discusses one of the two main gang banker robber barons of the nineteenth century, John D. (the other being the original JP Morgan). Of course other members of the gang banker cartel of the nineteenth century included the Harrimans (railroad interests) and Carnegies (steel interests):

Some have said that Grandfather and Father, along with Andrew Carnegie, invented modern philanthropy...What the two of them did was emphasize the need to move charitable activities away from treating the symptoms of social problems toward understanding and then eliminating the underlying causes. This led them both to embrace a scientific approach and to support the work of experts in many fields.

Grandfather's first major philanthropic project was the creation of the University of Chicago in the 1890s...One of the first initiatives he undertook was the Rockefeller Institute for Medical Research.

The General Education Board, Grandfather's next major initiative, grew out of his desire to create a public education system in the south that would benefit blacks as well as whites...The GEB worked closely with local and state governments...it is one of the first and most successful examples of public-private cooperation that our family has always promoted. (1)

I haven't even gotten out of section 1 and this guy is already piling it on thicker than a London fog. Let's start with the Carnegie Endowment for International Peace. Talk about Orwellian doublespeak; if it has to do with getting "The Late Great USA" involved in a war Andrew Carnegie was all for it (and the same goes for his a-hem International Peace Foundation). Woodrow Wilson (quoted on the introduction page to this web site) discussed a group so powerful behind the scenes that people "...shouldn't speak above their breath when speaking in condemnation of it". He was a veritable gang banker dream come true: a "Progressive" (fancy name for socialist), signatory of the treasonous and illegal "Federal" "Reserve" bank of economic demise AND he promised the "imbecile majority" non-involvement in World War I. This was right before he was elected which in turn was right before he sent a floating ammunition dump known as the Lisutania into the hot war waters of the English Channel. This happened AFTER the Germans specifically warned such an act would be treated as an act of war. As you may recall the sinking of the Lisutania was the impetus for US involvement in the "Great" War. ("Great" War..."Great" Society..."Great" Seal..."Great Depression" see Section 3w of "The THEorY of LIVEvolution" for the real meaning of the word "Great"). And of course Woodrow Wilson, a relative unknown became friendly with one Andrew

Carnegie according to “conspiracy theorist” Gerald Griffin in his excellent book on how “the FED” really works entitled “The Creature From Jekyll Island”:

WILSON AND WALL STREET

Woodrow Wilson was yet another academic who was brought into the national spotlight as a result of his views on banking...Wilson’s name had been put in to the nomination for President at the Democratic National Convention due largely to the influence of Col. Edward Mandell House...prior to that he was relatively unknown...He was particularly close with Andrew Carnegie and had become a trustee of the Carnegie Foundation.

Two of the most generous donors were Cleveland H.Dodge and Cyrus McCormick, directors of Rockefeller’s National City Bank...Both men had been Wilson’s classmates at Princeton. When Wilson returned to Princeton as a professor in 1890, Dodge and McCormick were, by reason of their wealth, University Trustees and they took it upon themselves to advance his (Wilson’s) career. (2)

Just a few quick tid bids. As thoroughly documented in Section 2b of “The THEorY of LIVEvolution” so-called Colonel House (he was non-military) was Wilson’s “advisor”, a sort of early twentieth century Zbigniew Brzezinski as he “advises” Barak Obama. He was a “Progressive” which is a fancy name for ultra-liberal/socialist that instituted all kinds of illegal laws and heavy handed government incarcerations as thoroughly discussed in “Liberal Facism” by “conspiracy theorist” Jonah Goldberg. And Hillary Clinton by her own foray into Orwellian governmentspeak “prefers” to call herself “Progressive” since the word “liberal” has all kinds of negative connotations. And last but not least Carnegie Steel Corporation profited tremendously from the “Great” War that immediately served as an impetus for another Rockefeller funded fella by the name of Adolf Hitler. But let’s not get ahead of ourselves.

The University of Chicago is a major source of economic “experts” that have been touting for years the workings, complexities and wonders of the “nation’s bank” the ubiquitous “Federal” “Reserve”. Look my friends as thoroughly documented in Section 2b of “The THEorY of LIVEvolution” in a word it’s a scam. By the way the University of Chicago was one of the stops after Columbia University and Harvard excuse me HAAARverd of our new “Messiah”, Communist in Chief Barak Obama.

And just what are the Rockefellers and their minions interested in studying with their Foundations? Genocide mostly. Aaaah omigosh you can’t say that. In “The THEorY of LIVEvolution” Section 2e I documented what blatant scams fake global warming and the long forgotten ozone hole are. As documented thoroughly in the Appendix of the book it’s safe to say the fake solution to the fake global warming (climate change?) scam is fake corn based ethanol that is having a *real* genocidal effect on the “imbecile majority” overseas. As documented thoroughly on this web site (for instance *start* with the Rockefeller founded UN-dead) Rockefeller interests are all over any thing having to do

with genocide starting with the eco wackos. Just in case you don't take my word for it here are a couple more quotes from completely independent sources:

The “conspiracy theorists” at infowars.com:

Beyond Golden Rice: The Rockefeller Foundation's long-term agenda behind Genetically Modified Food (infowars.com, 4/28/09)

So what is it all about, this elaborate program of ‘magical rice’ and ‘magical wheat’, spanning many decades in slow but strategic progression? And why is ‘global warming’ being mixed in the equation? In the [1968 annual Foundation report](#) the real reason for this determined labour comes to light:

‘Major organisations such as the Population Council and the National and International Planned Parenthood Federations have been supported (red: by the Foundation) in a variety of ways. These and other existing organisations, as well as others that may come into being, represent exceedingly important instrumentalities for the extension of family planning information and contraceptive methods.’

In bone chilling language, the aims and future steps of the Foundation is being outlined (page 54):

‘It will explore potentialities of training programs, seminars, public forums, symposia, and other devices for conveying information about the impact of population growth on economic and social development to government officials from ministries of health, planning commissions, and other appropriate agencies, in the interest of motivating greater action on population policy and population control programs.’

As we know, the call for more family planning in the name of the environment has been increasingly promoted by the Malthusian minded elite. It is clear that one of the ‘other devices’ the report mentions, has been found and thoroughly exploited: the great myth of Anthropogenic Global Warming was created and covered with the subtle sauce of science to give the whole thing an air of credibility. And the eugenics agenda continues.

Margret Sanger was a lovely American woman who was at the forefront of American eugenics, ever the inspiration to one Adolf Hitler:

Sanger's personal life was marked by tumult and immorality. The views underlying her formation of the American Birth Control League (renamed Planned Parenthood after World War II) were racist and White supremacist. Her personal friend and advisor Ernst Rudin, Adolph Hitler's director of genetic sterilization, was deeply involved in the American Birth Control League. And she hated all religion, Christianity in particular. (3)

Although not the focus of this book one wild guess where Maggie got much of her support...

Immediately, Margaret committed herself to using her new wealth to further the cause. She opened a new clinic – this time calling it a Research Bureau to avoid legal tangles...She campaigned diligently to win over the medical community. She secured massive foundation grants from the Rockefellers, the Fords and the Mellons...With her almost unlimited financial resources, she was able to open doors and pull strings that had heretofore had been entirely inaccessible to her.

Because of her Malthusian and Eugenic connections, she had willingly become closely associated with the scientists and theorists who put together Nazi Germany's "race purification" program. (4)

And just to be sure here's one more source...

In "War Against the Weak", award winning investigative journalist Edwin Black connects the crimes of the Nazis to a pseudoscientific American movement of the early twentieth century called eugenics. Based on selective breeding of human beings, eugenics began in laboratories on Long Island but ended in the concentration camps of Nazi Germany. (5)

Rockefeller money continued to stream across the Atlantic...Fischer was being replaced at the Society for Racial Hygiene...but in 1933 Nazis overran the society...He was replaced by (Ernst) Rudin

For Rockefeller, it was just eugenics. But for Hitler, science and technology were magical weapons to wield against the Jews and all other non-Aryan undesirables. (6)

Rockefeller fingerprints are all over the AIDS virus as documented in yet another several hundred page expose entitled "AIDS: The Crime Beyond Belief". And of course the AIDS virus was discussed in the **3/9/09** version of relevant news stories. It has never been found in any Green Monkey as we were told; however the UN-dead's WHO just so happened to administer a smallpox vaccine that correlated exactly with the AIDS outbreak in sub-Saharan Africa according to a report in The Times of London in the late eighties. And of course we have Rockefeller lackeys Hank Kissinger and Ziggy Brzezinski 'advising' Born Alive Infanticidal Comrade Barak.

In a nutshell, no pun intended, if it has to with genocide the name Rockefeller seems to always creep in, no pun intended.

And finally we're left with this "General Education Board". This disgrace that serves as the source of the re-education system (now the ultra liberal National ahem Education Association or NEA) is thoroughly discussed in "The THEorY of LIVEvolution" and the

1984 link on the new age page where it was a major target of the great Senator Joe McCarthy. But let's put our friends Rockefeller and Carnegie in pictures. Hagel was a German philosopher who believed that all sides of the political spectrum should ultimately serve the state. This fake "left" and fake "right" paradigm was thoroughly discussed in "The THEorY of LIVEvolution" and the **finale** on the relevant news stories page. Today in the "Late Great USA" this philosophy has manifested itself in the fake "Republicans" who spend like drunken sailors supported by Rush Limbaugh and the skills at FOX sNEWS on the 'right'. And the "Progressive" democrats who are progressive for the restive of us and spend like drunken sailors supported by the morons on General Electric controlled NBC on the left. Essentially "both" sides of "our" political system "borrow" from the sham Rockefeller/Morgan/et. et al founded "Federal" "Reserve" bank. Of course all the "experts" on FOX Business snews and the clowns on CircusNBC argue about all kinds of stuff except the blatant illegality of "The Fed". That's all "conspiracy theory" according to the brainwashed re-educated Harvard umm HAAARverd Business School stooges and the rest of the clowns on C(ircus)NBC. Here's an excellent summary of this whole situation illustrated by "conspiracy theorist" Anthony Sutton:

(From: "America's Secret Establishment: An Introduction to the Order of Skull and Bones" by Anthony Sutton, p. 84)

By the way, “The Order” is the Order of Skull and Bones discussed at length on the bottom of the new age page (see **322, the Georgia Guidestones and the eco wackos**). There it’s tied directly into the genocidal radical environmental movement. And now both “The Order” with support by the brainwashed stooges coming out of the sham Rockefeller/Carnegie Orwellian one world Progressive America sucks re-education centers or Ivy League/University of Chicago for short AND the radical environmental movement (centered at the Rockefeller founded UN-dead) both tie to...the Rockefeller family. And if you stick around long enough to the anti-Christ himself (see **relevant links** on the Mystery, Babylon USA page).

With that happy thought let’s move on.

Here’s Davie’s take on the scam “Federal” “Reserve” in a section entitled “Mother and Father”:

Her father (Republican Senator/sell out author of the Federal Reserve Act of 1913 Nelson Aldrich) played a key role in setting high tariffs and creating a more flexible currency and a more stable banking system through the formation of the Federal Reserve System (7)

I don’t even know where to begin. Again, the scam “Federal” “Reserve” is thoroughly discussed in Section 2b of “The THEorY of LIVEvolution”. Suffice it to say that the national debt CAN NEVER BE PAID OFF for the simple reason that the *source* of the Government’s (the ones supposedly representing us out here in the “imbecile majority”) money is the *same entity we are indebted to!!!* And “Federal” and “Reserve” are in quotes because NEITHER is factually true. In a nutshell, no pun intended, we are left with only two conclusions: Davie, heir to the greatest wealth and industry in American history with his PhD from the University of Chicago is A. really DUMB or B. blatantly LYING.

Let’s not slow down now. In Section 2a of “The THEorY of LIVEvolution” I documented how American business interests were fueling the industrial machine of Communist Soviet Russia during the sixties and seventies. And the Russians were turning right around and feeding the armies of North Vietnam. Who were of course mowing down the American military that were in Vietnam to ostensibly fight...Communism. Let’s get Davie’s take on this less than repugnant situation before asking some obvious questions:

Trading with the “Enemy”

Even before the Dartmouth group began to play a role in Soviet-American relations, I had become one of a small group of American businessmen who advocated increasing trade with the Soviet Union and her Eastern European satellites. From a purely economic viewpoint, the United States did not need Soviet trade. Its usefulness to us lay in its “political implications” as Khrushchev noted during our meeting.

I made my first public comment on the issue of East-West trade in San Francisco in September 1964, shortly I had met with Khrushchev. (8)

This is just a sampling of Davie's lovefest with our alleged "enemy", the Communist Soviet Union. For starters one must ask what the hell is this guy, a private citizen, doing traveling the world and negotiating with foreign countries especially our sworn enemies? This is blatantly illegal according to the Logan Act. But of course laws (and income taxes) only apply to the little people in Davie's already existing "Late Great USA" American gulag. Another question one must ask is just what did we accomplish in 'fighting' in Vietnam? Something doesn't make sense here. Davie is over in some kind of business/love fest with the Communist Ruskies yet Communism is such a danger to the world we have to sacrifice tens of thousands of lives not to mention hundreds of thousands of wounded vets who get to come home and "enjoy" "free" government health care via the under funded Veterans' Administration while Davie and his gang banker friends make off with literally billions in interest paid to "the FED" – thanks to borrowing from the "Fed" for the war in the first place. Sounds good to me; let's continue with this "conspiracy theory".

By the way, didn't former President Eisenhower have something to say about the dangers of the "military-industrial complex" as he left office? What a kook.

Speaking of aiding and abetting America's enemies foreign and domestic or TREASON for short I believe Adolf Hitler would have qualified as an enemy yet IG Farben was THE industrial backbone of Hitler's Germany. It was an offshoot of the Rockefeller owned Standard Oil of New Jersey and was responsible for a large portion of Nazi Germany's war machine. This is real history my friends: No Standard Oil no IG Farben. No IG Farben no Nazi war machine. Of course asking too many questions on this odd situation makes one a "conspiracy theorist" so let's move along. Of course millions of lives were lost at the hands of Adolf Hitler which may not be so bad since the eco lunatics at the Rockefeller founded UN-dead (and the **Georgia Guidestones** see link on the new age page) are saying there are way too many in the "imbecile majority" for "Mother Earth" to handle anyway...

In "The THEorY of LIVEvolution" and in fact this web site there are three groups with Rockefeller hands all over them: the Bilderberg Group, Trilateral Commission and Council on Foreign Relations. In a nutshell all three are veritable spider webs of criminal banksta elites and TREASONOUS enemies of the United States, the real one. For specifics see Sections 2c, 2i and 2k.in "The THEorY of LIVEvolution", the **Between 2 Ages** link on this page and the **Bilderberg** link on the relevant links to the Mystery Babylon, USA page. In addition there is more information on the relevant news stories page especially the **finale**.

But let's get Davie's take on someone like yours truly in relation to these entities:

The Council on Foreign Relations

It was my parents who first impressed on me the importance of the world beyond the United States. Father was a staunch supporter of the League of Nations, an active participant in the worldwide ecumenical movement, and through the Rockefeller Foundation and other family foundations, one of the principal founders of health, education and cultural endeavors around the world. (9)

Let's run through each very quickly. In Section 2 of "The THEorY of LIVEvolution" and the **finale** of the relevant news stories the CFR is documented as the American arm of the English globalists known over there as The Round Table Groups. The League of Nations was basically the UN-dead globalist One Worlders attempt number one to get a world wide governing body that was shot down by loud protests from the "imbecile majority". Of course in 1948 these TREASONOUS Rockefellers gave us the collection of dictators, thugs, criminals, eco wackos, earth spirit weirdoes, devil worshippers, United States and Israel bashers and one worlders known as the UN-dead. The "worldwide ecumenical movement" has to refer to the Communist Party USA founded World Council of Churches and its baby sibling, the National Council of Churches. The Communist Party USA is tied directly to the other half of the gang banker cartel, JP Morgan, by "conspiracy theorist" Anthony Sutton. And finally those "founders of health" at the Rockefeller Foundation "and other family foundations" are in reality merchants of death on a genocidal scale as previously discussed.

Bilderberg

If the Council on Foreign Relations raises the hackles of conspiracy theorists, the Bilderberg Group must induce apocalyptic visions of international bankers plotting with unscrupulous government officials to impose cunning schemes on an ignorant and unsuspecting world.

Prince Bernhard of the Netherlands convened the first conference in 1954...(10)

Actually Davie does an excellent job in summarizing this thing albeit in his own little sarcastic tone. The only criticism I would have is that he needs to include academic leaders and media CEOs along with "international bankers with unscrupulous government officials". This group is discussed thoroughly in Section 2k of "The THEorY of LIVEvolution" and **Bilderberg** on the related links page to Mystery, Babylon USA. Of course if it's so great why not announce the meetings? Why have the place locked down with such tight security? And Davie 'forgets' to mention that Prince Bernhard besides being heir to the Shell Oil fortune in Europe was also a high ranking member of Hitler's SS; probably not a good thing to be associated with today much less 1954.

The Trilateral Commission

No organization with which I have played a founding role has attracted as much public scrutiny and attention as the Trilateral Commission. Pat Robertson has

insisted that Trilateral is trying to create a world government and claims that it “springs from the depths of something evil”.

Trilateral, like Bilderberg, is a much more benign organization than the conspiracy theorists have depicted. It is a broadly based effort to bridge national differences and, in this case, invite the Japanese into the international community.

Zbigniew Brzezinski, then teaching at Columbia University, was a Bilderberg guest that year, and we spoke about my idea on the flight to Belgium for a meeting. (11)

Luckily this is the last of these Rockefeller founded and/or associated groups; I’m getting ready to vomit. Trilateral was covered in Section 2k of “The THEorY of LIVEvolution” and I don’t even know where to begin. One of its major goals is the unionization of Canada, Mexico and the United States as documented thoroughly in a book entitled “The Late Great USA” by “conspiracy theorist” Jerome Corsi of “Swiftboat Veterans for Truth” fame. Skull and Boner Georgie Bush the II was extremely active here formulating something called the “Security and Prosperity Partnership” (SPP) that you probably never heard of in 2005. And in 2007 the “imbecile majority” in the great state of Texas got this whole thing delayed when they managed to get something called the “Trans-Texas Corridor” more commonly known as the NAFTA superhighway squashed. Of course you probably aren’t aware of any of this as the “expert panel” on FOX sNEWS or the “liberals” on CommunistNN find it more important to give us American Idol results and Brad Pitt’s dating plans. But let’s get some excerpts by “conspiracy theorist” Gerald Griffin:

The TLC was created by David Rockefeller...The objective was to draw the United States, Canada, Mexico, Japan and the European Union into political and economic union. Under slogans such as free trade and environmental protection, each nation is to surrender its sovereignty “piece by piece”...

In 1992, the Trilateral Commission released a report co-authored by Toyoo Gyohten...formerly Japan’s Minister of Finance for International Affairs...(he) taught at Harvard Business School...also had been in charge of the Japan desk of the International Monetary Fund. In short he represents the Japanese monetary interests in the New World Order. ... Gyohten explains:

Regional trade arrangements should not be regarded as ends in themselves, but as supplements to global liberalization...In sum, the regional integration process in Europe can be seen as akin to an exercise in nation-building.

Applying this same perspective to the NAFTA treaty, former Secretary of State Henry Kissinger (CFR) said “it is not a conventional trade agreement but the architecture of a new international system...the vital first step for a community of nations. (12)

All this “conspiracy theory” is definitively corroborated on the **Between Two Ages link** on this page and the **finale** on the relevant news stories page not to mention Section 2 of “The THEorY of LIVEvolution”.

And finally here’s Davie in his own words as I seek to end this exercise in self love by Davie:

Populist Paranoia

For more than a century ideological extremists at either end of the political spectrum have seized upon well-publicized incidents such as my encounter with Castro to attack the Rockefeller family for the inordinate influence they claim we wield over American political and economic institutions. Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as “internationalists” and conspiring with others around the world to build a more integrated global political and economic structure – one world, if you will. If that’s the charge, I stand guilty, and I am proud of it. (13)

Actually once again in his own little sarcastic tone Davie does an excellent job in summarizing himself and his treasonous family and friends.

As I keep stating: If it involves the demise of the Godly founded United States of America and/or genocide the Rockefeller name isn’t far to be found. (Start with the **1984** link on the new age page and go from there). Or just think about the merchants of death at the aforementioned Rockefeller Foundation. And don’t forget the General Education Board that is essentially Orwell’s Ministry of Education “Late Great USA” style as it turns out thousands of re-educated zombie lap dog “Progressive” stooges to spread the good news about Davie and his lap dog Obama and their impending Godless humanistic American/New World Order slave state or “Great” Society for short.

I’ve presented the evidence: the “conspiracy theorists” or “populists” such as myself or Davie and the rest of the Rockefellers and their internationalist friends at the UN-dead, Columbia University, University of Chicago, Harvard excuse me HAAARverd, Bilderberg, Trilateral Commission, Council on Foreign Relations, Communist Party USA World Council of Churches, the “Federal” “Reserve”, genocidal/Communist in Chief Barak Obama, Henry Kissinger, Zbigniew Brzezinski, Soviet Russia, Nazi Germany, American eugenics...(and I bet you haven’t even ‘played’ the **1984** ‘game’ on the new age page)

Sorry there’s no happy ending here. So we’re back to the same overall theme: the god of David Rockefeller and friends “Lucifer the ILLUMINATED Angel of Light” or Molech (see **Bohemian Grove** on the relevant links of the Mystery Babylon, USA page) versus the God of George Washington, John Adams, Patrick Henry, etc.

Choose wisely it's becoming more and more apparent that the battle lines are being drawn as we descend "To the Mouth of Madness".
